

tnAchieves Summer Bridge Program

The Summer Bridge Program is a **FREE** three-week program designed to help incoming students start on a more college-ready level, both academically and socially.

Is the Summer Bridge Program for me?

If you answer “yes” to either of the following questions, the Summer Bridge Program is for you!

- Did you score below a 19 on the reading or math section or below an 18 on the English section of the ACT?
- Do you want to begin college more prepared?

The Summer Bridge Program is designed to help students potentially test out of learning support classes and enroll in college level classes in the Fall.

Program Details

For three weeks you will travel to a community college campus and receive math, reading, and English instruction. Also, you will participate in a Lunch and Learn each day, where you will receive college and career success tips. Lunch will be provided for you.

Success

49% of students tested out of either some or all of their required learning support classes.

40% of those who did not test out improved in at least one subject, making them more prepared for their first semester of college!

Apply

Visit tnAchieves.org to complete an application. Each Summer Bridge Program is first come, first served, so complete an application soon! The deadline to apply will be one month from the beginning of the individual program.
