

MENTOR

While Tennessee Promise funding is critical, the mentor serves as a **difference-maker** for many students who are the first in their families to attend college.

1 TASK-MASTER

Ensure students meet critical deadlines by sending reminders.

2 RESOURCE

Answer questions as students navigate the college process.

3 ENCOURAGER

Be the person who says, "We can do this TOGETHER!"

Same effective role. New connection opportunity.

While educational opportunity for ALL students is our mission, safety is our priority.

This year we are launching **tnAchieves CONNECT** – our new virtual mentoring platform. This provides mentors another tool to reach students and families during this critical time of transition.
