### Mentors In Shelby County

tnAchieves mentors provide proactive support to local TN Promise students as they navigate the college process. The decline in Tennessee's college-going rate represents a 7,000-student loss in the state's college pipeline. If every tnAchieves mentor helped ONE student access college, we could turn the decline around in 2023!

<b>2022 Mentors Recruited</b>	1051 (87% of goal)	<b>2023 Mentors Needed</b>	1144
