WELCOME, CLASS OF 2023!

Congratulations! Welcome to the TN Promise Class of 2023! This program provides you with a unique opportunity to begin a more rewarding life. A college credential is one significant step to fulfilling your potential.

TN Promise is a last-dollar scholarship that ensures tuition and mandatory fee free community or technical college. We encourage you to visit the eligible institutions' websites and campuses to familiarize yourself with all the benefits these schools offer. In fact, while you are on the website, complete the simple college application. Trust me, it will save you time later! Yes, some four-year institutions offering associates degrees are eligible too, but the funding may be different. See pages 14-15 for more details.

To remain eligible for the TN Promise scholarship, you must complete the tnAchieves program. tnAchieves is the designated partnering organization for your high school. You will be assigned a volunteer mentor who will invest in you and your future. It is your responsibility to take advantage of your mentor and/or the program for guidance through the college access and success processes.

Read this handbook! This is your tnAchieves lifeline. It contains all the information you need to ensure you remain a TN Promise scholar. You will find a timeline as well as deadlines in this handbook. If you lose your handbook, you may obtain a digital copy at tnAchieves.org/handbook.

It is important to meet deadlines and complete all the requirements. Failure to comply will result in permanent termination of your TN Promise funding opportunity.

First, you must attend your assigned mandatory TN Promise meeting in December or January. This meeting serves as an opportunity to learn more about the TN Promise scholarship and meet your tnAchieves mentor! The meeting will last about an hour, and it will provide you with valuable next steps for your college journey.

Your attendance is required. Your parent/guardian is welcome to attend with you, but it is your responsibility as the student to be present. Learn more about your mandatory TN Promise meeting on page 6 and find your meeting date/time on pages 27-30!

Your next deadline is critical! You must file the 2023-2024 Free Application for Federal Student Aid (FAFSA) at StudentAid.gov by March 1, 2023. Even if TN Promise is not your college route, every student needs to complete a FAFSA. Students complete the FAFSA to apply for all state and federal financial aid. See pages 8-10 of your student handbook for more details.

Another TN Promise requirement is completing and submitting at least 8 hours of community service prior to the beginning of each semester. You may begin completion of your first 8 hours on November 2, 2022, with a deadline of July 5, 2023. It is important to note that students who wish to attend a Tennessee College of Applied Technology (TCAT) during the summer trimester must submit community service prior to April 3, 2023. To submit, you will visit our website: tnAchieves.org.

We understand that students may need help finding a place to volunteer. We have provided resources and community service opportunities on our website, including virtual community service opportunities. Please visit tnAchieves.org for more information.

Every Monday, tnAchieves will send you an email reminding you of critical deadlines, important dates and necessary requirements. If you are not receiving these consistently beginning in December, tnAchieves has an incorrect email address for you. Please send your correct email address to tnAchieves@tnAchieves.org to update. And remember, checking emails at least weekly is fundamental to your future success with TN Promise, tnAchieves and your chosen college.

Take my simple advice - GO TO COLLEGE. It's not easy, but we are here to support you. It will be one of the best decisions you will make!

So excited for you!

The tnAchieves Story

tnAchieves began as knoxAchieves in 2008, launched as an economic development and student success initiative by former Knox County Mayor Mike Ragsdale, then Knoxville Mayor Bill Haslam and businessmen Randy Boyd, Rich Ray and Tim Williams. Because of its success, knoxAchieves was charged with expanding the program statewide, thus tnAchieves was launched in 2011. tnAchieves ultimately seeks to build a strong workforce by increasing educational attainment opportunities across the state. More importantly, we hope to improve students' quality of life, increase the value of education in Tennessee and create more lifelong learners. Today, tnAchieves partners with TN Promise in 83 of the 95 Tennessee counties.

Partnership

TN Promise is a last-dollar scholarship that funds tuition and mandatory fees for up to five semesters at a community college or eligible four-year institution or eight trimesters at a Tennessee College of Applied Technology (TCAT). As a last-dollar scholarship, TN Promise covers a student's tuition and mandatory fees not paid by federal or state funds (i.e., the Pell Grant, HOPE Scholarship, Tennessee Student Assistance Award and Wilder-Naifeh Technical Skills Grant).

The Tennessee Student Assistance Corporation (TSAC) is a governmental financial aid agency that handles state and federal aid for Tennessee students. It administers TN Promise funds directly to post-secondary institutions.

MANDATORY MEETING

*Eligibility Requirement

To maintain TN Promise scholarship eligibility, students must attend their assigned mandatory TN Promise meeting! Your mandatory TN Promise meeting provides an opportunity to get to know your tnAchieves mentor and learn more about TN Promise scholarship requirements.

Mandatory TN Promise meetings are organized and hosted by tnAchieves. Visit pages 27-30 of this handbook or tnAchieves.org to see your assigned meeting, which is based on your high school. You will also receive an email and text message from tnAchieves that will include your meeting's date, time and location. In most cases, your assigned meeting will be hosted at your high school either during or shortly after your school day. Your mandatory TN Promise meeting will last one hour. Below you will find helpful information and tips that will ensure that you make the most of your mandatory TN Promise meeting!

Before your mandatory TN Promise meeting:

- Visit pages 27-30 of this handbook or tnAchieves.org to find your meeting date/time.
- If your meeting is after school, ensure that you have transportation home from the meeting.
- Let your tnAchieves mentor know that you will be attending.

During your mandatory TN Promise meeting:

- **Sign in when you arrive to your mandatory TN Promise meeting!** As a reminder, your attendance is mandatory, so it is critical that you sign in and ensure your attendance is recorded. Students will sign in by scanning the QR code found at the sign-in table and in various locations around the meeting space. Students will sign in using their first/last name, date of birth and the last four digits of their Social Security Number. Once you sign in, review your assigned table/row number, tap the "Sign In" button and your attendance will be recorded. If you do not have a mobile device or cannot log into the form, please let tnAchieves staff know to help you record your attendance!
- After signing in, you will grab a handout and locate your assigned table/row number. Your assigned tnAchieves mentor will be seated with you and the other students in your group. Being seated with your mentor ensures you can effectively communicate, work through the mentor activity and begin building your mentoring relationship.
- tnAchieves staff will conduct a presentation that highlights the TN Promise scholarship and upcoming scholarship requirements. The mandatory TN Promise meeting handout will guide the presentations; you are encouraged to take notes!
- **Only tnAchieves staff or your mentor can dismiss you from the meeting!** Please be respectful and responsive to your mentor during this time.
- **You must stay for the meeting's entirety.** Also, it is dishonest and runs counter to the spirit of TN Promise to sign in for a friend. Such actions could lead to the loss of your TN Promise eligibility.

After your mandatory TN Promise meeting:

- Once you have attended your mandatory TN Promise meeting, you should reach out and thank your tnAchieves mentor for attending! This is a great way to show your appreciation and continue building your mentoring relationship.
- Check your email after your mandatory TN Promise meeting! You will receive an email from tnAchieves that outlines the next steps for your TN Promise scholarship, including upcoming requirements!

Meeting Cancellation Policy

Should a school district in a county close for any reason, tnAchieves will cancel and reschedule all meetings in that county. tnAchieves will notify students, parents and mentors of the cancellation and rescheduled date as soon as possible in the event of a closure. **Students are expected to attend the rescheduled mandatory TN Promise meeting.**

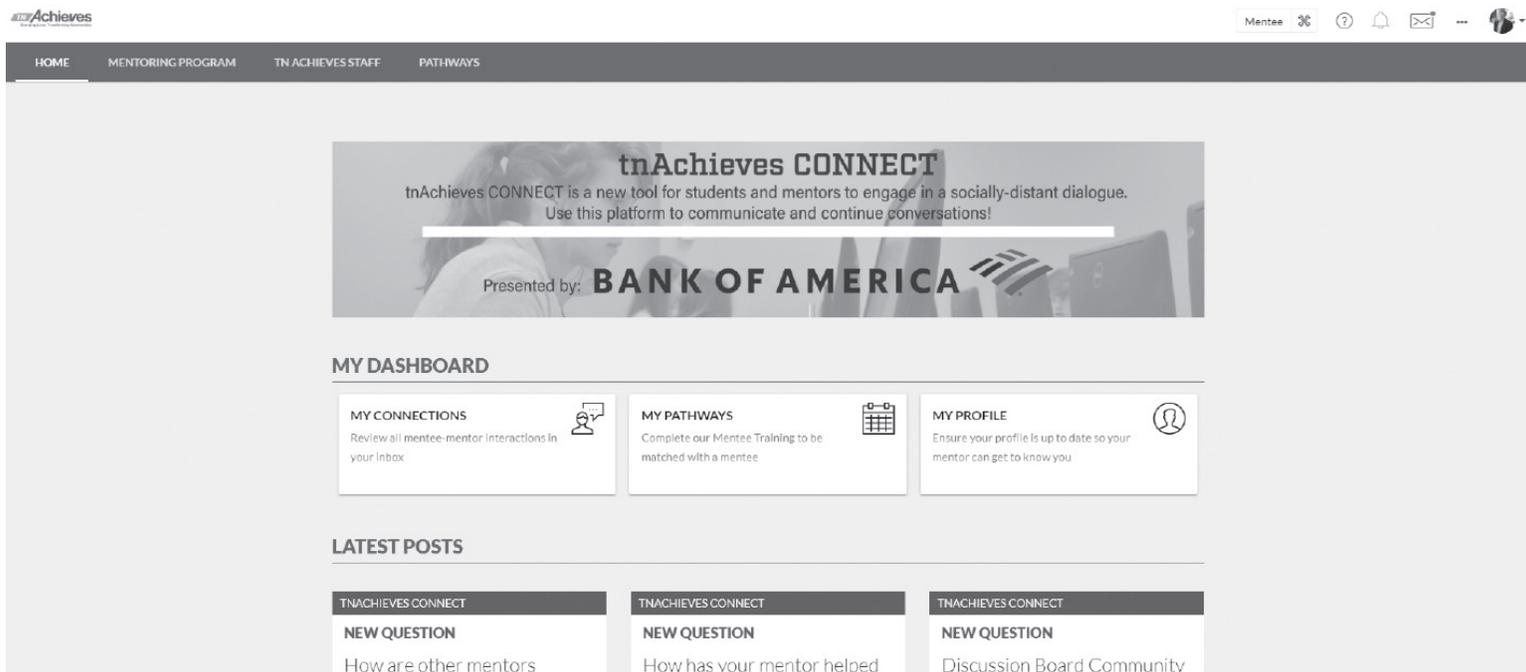

Excuse Form Policy

If you believe you will need to miss your assigned mandatory meeting, follow these steps:

1. Review the excuse form policy on page 23 of this handbook for a list of acceptable excuse reasons. Your excuse reason must fall within the accepted categories listed in this policy to be approved to miss your mandatory meeting. If your reason does not fall within these categories, you are required to attend your mandatory meeting.
2. You are responsible for notifying tnAchieves before or following your missed meeting via the excuse form provided at tnAchieves.org. Failure to meet this requirement, even with a valid excuse, may result in the loss of TN Promise eligibility.
3. After submitting your excuse form, you will receive notice via email from tnAchieves whether your excuse form has been approved. If your excuse is approved, you will be required to view a webinar provided by tnAchieves. This webinar will be sent to you on February 1, 2023 and is required to be completed by March 1, 2023.
4. If your excuse is approved, you are expected to follow up with and respond to your tnAchieves mentor!

tnAchieves CONNECT

The screenshot shows the tnAchieves CONNECT dashboard. At the top, there is a navigation bar with links for HOME, MENTORING PROGRAM, TN ACHIEVES STAFF, and PATHWAYS. On the right side of the navigation bar, there are icons for Mentee, a search icon, a notification bell, an email icon, and a user profile icon. What is tnAchieves CONNECT?

tnAchieves CONNECT is a tool that allows students and mentors to interact in a safe, online platform. You will be paired with your tnAchieves mentor on tnAchieves CONNECT, which allows you to easily communicate with one another.

Why is tnAchieves CONNECT important?

We strongly believe in the power of tnAchieves mentors (learn more about your tnAchieves mentor on page 11) and the value they bring to a student's college success. To increase connection opportunities for students and mentors, tnAchieves invested in an online mentoring platform that includes video conferencing and instant messaging. tnAchieves CONNECT gives students and mentors the ability to build a relationship virtually and remain in consistent contact.

tnAchieves CONNECT is a valuable resource on your journey to college! Not only is it a place to connect with your tnAchieves mentor and the tnAchieves team, you can gain access to resources that can be helpful as you make the transition from high school to college.

FILE THE 2023-2024 FAFSA

*Eligibility Requirement

DEADLINE TO FILE: MARCH 1, 2023

Create Your FSA ID

In order to file the Free Application for Federal Student Aid (FAFSA), you will be required to create an FSA ID. The FSA ID gives you access to Federal Student Aid's online systems and serves as your legal signature for your FAFSA. You, as a student, will need to use your personal information to create your FSA ID. One of your parents will be required to create an FSA ID to sign your FAFSA as well. Personal information must be used for a parent to create an FSA ID. This means the student and one of the student's parents will each have unique FSA IDs and cannot use the same email address.

You can create your FSA ID any time before you file the FAFSA. You and your parent are encouraged to create your FSA IDs as soon as possible to avoid delays with the completion of your FAFSA.

Please remember that creating your FSA ID is NOT the same as filing your FAFSA. If you create an FSA ID but do not file the 2023-2024 FAFSA by March 1, 2023, you will no longer be eligible for TN Promise.

Steps to Create Your FSA ID

Visit [StudentAid.gov](https://studentaid.gov) and follow these steps to create your FSA ID. If you have questions during the process, click on the grey question marks next to each field for additional information.

1. Select the **Create Account** button.
2. On the **Create an Account (FSA ID)** page, select the **Get Started** button.

4. Create your account username and password. Click **Continue**.
 - Your password will be case-sensitive, must be between 8 and 30 characters in length and must contain one uppercase letter, one lowercase letter and one number.
 - Write your FSA ID username at the bottom of this page or store it in a secure place for future logins.
5. Enter your permanent address and mobile phone number. Click **Continue**.
 - tnAchieves recommends signing up for mobile phone account recovery. This option will help you restore access to your account if you forget your FSA ID password or become locked out of your account.
6. Select communication preferences. Click **Continue**.
 - You must select whether to receive required communication by email or postal mail. You can also opt in to receive informational emails and/or text messages regarding programs for which you may be eligible.
7. Select challenge questions and answers. Click **Continue**.
 - If you forget your FSA ID password, answering challenge questions is one way to reset it.
 - Select questions and answers that are easy for you to remember but difficult for others to guess. Your answer must be between 3 and 50 characters in length and can only contain uppercase letters, lowercase letters, numbers or spaces. Your answer is not case-sensitive. Select the **Show Answer** button to see the answers as you type.
8. Review the information you provided and agree to Federal Student Aid's Terms and Conditions. Click **Continue**.
9. Verify your contact information by clicking **Verify My Mobile Phone Number** and **Verify My Email Address**. Click **Finish**.
 - Only a verified email address OR a verified mobile phone number is required, but if you provided both on previous screens, you **MUST** verify both on the **Account Recovery** page.
 - A unique code will be sent to your mobile phone number and email address to verify their accuracy. Follow the instructions provided to enter the unique code and verify your contact information. Once you verify your mobile phone number and email address, they can be used to log in, unlock your account, retrieve your username or reset your password.
 - NOTE: You **MUST** verify your information before continuing.
10. Your account is created!
 - Please save your backup code that appears on the **Your Account Was Successfully Created** screen. Your backup code lets you access your account in the event that you cannot use any other two-step verification method.
 - You can immediately use your FSA ID username and password to sign your 2023-2024 FAFSA.
 - Remember, you will use this information to submit your FAFSA each year, as well as access a submitted FAFSA to make changes.

If you have trouble creating your FSA ID, please contact the FSA ID helpline at **1-800-433-3243**. You can also webchat with an FSA ID representative: visit [StudentAid.gov](https://studentaid.gov), click **Help Center**, click **Contact Us**, select **I'm a Student**, click **Live Chat**.

FILE THE 2023-2024 FAFSA

*Eligibility Requirement

DEADLINE TO FILE: MARCH 1, 2023

Filing the FAFSA

The Free Application for Federal Student Aid (FAFSA) serves as the application for the federal Pell Grant, Tennessee Education Lottery Scholarships (TELS) and Tennessee Student Assistance Award (TSAA). This means you will be required to file the FAFSA every year to not only remain eligible for TN Promise, but to qualify for federal or state financial aid. In addition to being a TN Promise requirement, filing the FAFSA by **March 1, 2023** increases the probability that eligible students will receive more aid. You will receive email reminders of the FAFSA filing deadline.

Your high school and local colleges may host events from October-February to assist you and your parent with the filing process. We encourage you to attend an in-person or virtual FAFSA filing event, if possible, to ensure the accuracy and completion of your FAFSA.

1. On or after October 1, 2022, visit studentaid.gov. This is the official FAFSA website. **DO NOT complete the application at www.fafsa.com or any other website that asks you for a fee. FAFSA filing is free.**
2. Make sure you select the **2023-2024 FAFSA** application. If you file the wrong year's FAFSA and do not file the 2023-2024 FAFSA by March 1, 2023, you will no longer be eligible for TN Promise.
3. You will need to create an **FSA ID**. Please see page 8 for detailed instructions on creating the FSA ID.
4. It is important to enter the correct Social Security number. If entered incorrectly, this will lead to future complications with receiving your aid. Triple check that this is correct, as it can cause major issues down the road.
5. Please make sure you select the TN Promise eligible institution you plan to attend as the **first choice school!** If you change your mind, you must log back into your FAFSA and change it so the post-secondary institution can retrieve your information. You must also change your institution on the TSAC Student Portal. See page 18 of this handbook for instructions.
6. You will utilize **2021 tax information** to complete the 2023-2024 FAFSA. If you and your parent have filed and completed your 2021 taxes, you can select **Already Completed** and answer the financial questions based on 2021 taxes. If you or your parent have not completed 2021 taxes at the time of FAFSA completion, you must select **I will file my taxes**, file the 2023-2024 FAFSA based on estimations and later update your FAFSA with the filed tax information. If you or your parent were unemployed or disabled in 2021, you will select **Not Going To File** and continue with the FAFSA.
7. Even if you are 18 years old, you will need one of your parent's information to complete the FAFSA unless you are married, have children who receive more than half of their support from you, were in foster care, are a ward of the court, are emancipated from your parents, are homeless, are in a legal guardianship and/or have parents who are deceased. If you report one or more of these situations as true, you may be required to provide court documentation.
8. If you feel lost, click the question mark outside the answer box. Information will appear indicating where to find the appropriate answer or a tip on how to continue.
9. At the end, you and your parent will sign your FAFSA electronically using the FSA IDs you created. You can create your FSA ID the same day you file. Make sure you click **Submit** to successfully file your FAFSA. If you click save, your FAFSA will not be submitted. You will receive a confirmation email after successfully submitting your FAFSA – **keep this email for your records!**

If you lose your FSA ID and password or have trouble accessing your FAFSA, contact the FAFSA helpline at **1-800-4FEDAID (1-800-433-3243)**.

QUICK TIP

Do not wait until the last minute to complete the 2023-2024 FAFSA as you may hit a roadblock and need assistance/additional time. Do not allow procrastination to result in the loss of your TN Promise eligibility!

Before You Begin

The fastest way to sign your application and have it processed is to create an FSA ID. The FSA ID allows students and parents to identify themselves electronically to access FSA websites. An FSA ID is also the only way to access or correct your information online.

If you have an FSA ID but forget your username or password, attempt to log in on the FAFSA home page and click on **forgot username** or **forgot password**. It will then prompt you with instructions to retrieve your username or reset your password.

Dependency

If you are a dependent student, you will report your and your parent's information. If you are an independent student, you will report your information (and, if you are married, your spouse's). For clarification on your status, please visit: studentaid.gov/apply-for-aid/fafsa/filling-out/dependency.

Reporting Parent Information

There are numerous scenarios or questions a student may encounter when reporting parent information on the FAFSA. The answers to these questions may differ based on your parent's marital status and living situation. If you have a question regarding your unique situation, you can visit studentaid.gov/help/who-is-parent for a breakdown of multiple scenarios. You can also contact the financial aid office of the college you plan to attend to ask specific questions.

Making Corrections to your FAFSA

Log into StudentAid.gov using your FSA ID and password and click **Make FAFSA Corrections**.

When correcting your FAFSA, you can:

- Add or remove colleges from your application;
- Change your email or mailing address; and/or
- Correct any field in your FAFSA other than your Social Security number.

Any corrections you make to your FAFSA on StudentAid.gov will be processed in three to five days. Changes must be submitted, not just saved, to be processed. You will receive a revised Student Aid Report (SAR) reflecting the corrections that you made to your application. All of the schools you listed on your FAFSA will have access to the revised information one day after it is processed.

IRS Data Retrieval Tool

The IRS Data Retrieval Tool allows students and parents to access the IRS tax return information needed to complete the FAFSA and easily transfer the data directly and accurately into the FAFSA from the IRS website.

In the finances section of your FAFSA, click **Proceed to IRS** and log in with the IRS to retrieve your tax information. On the IRS website, you must enter the requested information exactly as it appears on your tax return. Click the **Transfer My Tax Information into the FAFSA** box and review to ensure your information has been transferred into the appropriate data fields. Questions populated with tax information will be marked with **Transferred from the IRS**. Some data may not be visible in order to protect your information.

Note: There are several scenarios in which you might not be given the option to use the IRS Data Retrieval Tool. Filing your taxes electronically or by mail will determine how quickly you can use the IRS Data Retrieval Tool. Usually, the tool is available three weeks after tax returns are filed electronically or seven to eleven weeks after tax returns are filed by mail. If the IRS Data Retrieval Tool is not available to you, manually fill out the fields from your 2021 tax returns.

WHO IS MY MENTOR?

In November, you will be assigned a volunteer mentor who has made the commitment to guide, encourage and support you as you transition from high school to college. This is one of the most valuable resources you have with TN Promise.

Applying to college can be an intimidating process. Your mentor is there to help! Be willing to openly communicate with your mentor as you prepare to start your first semester of college and do not hesitate to ask questions. Mentors are invested in helping you succeed.

Your mentor is a(n)...	Your mentor is NOT a...	As a mentee, you are...	As a mentee, you are NOT...
Resource	Person with all the answers	Willing to ask questions	Unkind
Encourager	Best friend	Responsive to your mentor	Unresponsive
Person who wants you to succeed	Tutor	Thankful and kind	Rude

As a TN Promise scholar, it is your responsibility to engage with your mentor during the tnAchieves program. This is a chance to learn how to develop meaningful relationships with mentors who can provide support and opportunities for you to grow in your education and career.

Connect with your mentor when:

- You have a question.
- You complete a step in the process. Your mentor wants to celebrate with you!
- Your mentor asks a question of you via CONNECT, text message or email.
- You are excited/nervous/worried about starting college.

Meet Your Mentor

You will meet your mentor for the first time in December or January at your mandatory TN Promise meeting. This meeting provides mentors and students with an opportunity to set goals and begin building their mentoring relationship. Visit page 6 of this handbook for a full summary of what to expect regarding this meeting!

In the spring, your tnAchieves mentor will schedule a second face-to-face meeting with you! The purpose of this meeting is to help you continue building your mentoring relationship and check in on the goals that you set at the mandatory TN Promise meeting. The meeting will occur either in-person or virtually, depending on your mentor's availability. Below is what you can expect depending on your mentor's preferred meeting format:

- **Open House:** tnAchieves will schedule a meeting opportunity in each county, where mentors and students are invited to gather in-person to meet and check in. tnAchieves Open Houses will also feature college representatives who can answer questions regarding local post-secondary institutions and the college-going process. tnAchieves will communicate Open House dates/times/locations in early 2023 via email and text message. **Check with your mentor about attending your local tnAchieves Open House.**
- **In-Person:** If your mentor chooses to meet in-person, your mentor will offer a date, time and location for the meeting. This may occur at a local college, high school or business. In-person meetings are hosted in public spaces Please confirm your attendance by responding to your mentor's meeting request. **It is imperative that you mark your calendar, show up on time and communicate with your mentor!**
- **Virtual:** If your mentor chooses to meet virtually, the meeting will occur on tnAchieves CONNECT via the video chat feature. Your mentor will offer a date and time to meet, and it will be your responsibility to mark your calendar and attend virtually. If you have questions with utilizing CONNECT's video chat feature, let our team know. We are happy to help!

CHOOSE YOUR COLLEGE

How to Apply

Community Colleges: All community college applications can be completed online. If you do not have internet access, most colleges will allow you to complete an application on their campuses.

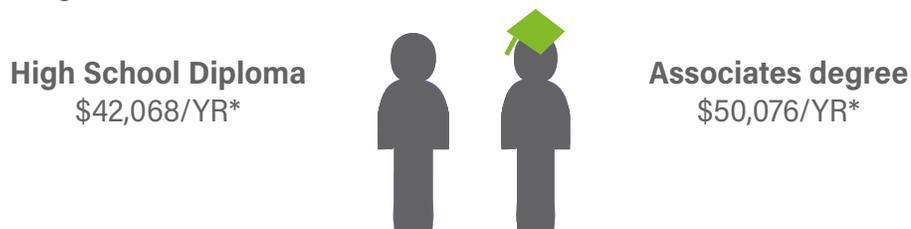

Tennessee Colleges of Applied Technology (TCAT): Most TCAT applications can be completed online. You may also complete a paper application and submit it to the admissions office at the TCAT you plan to attend. Depending on location and program, students may need to place their name on a waiting list after applying.

Make sure to complete an application by early spring. We recommend an April 1 application priority date!

Benefits of Community and Technical Colleges

Better Job Opportunities and More Money

In the future, 80 percent of the fastest growing jobs in the United States will require at least some post-secondary education. By the year 2025, 55 percent of all jobs in Tennessee will require employees to have earned a post-secondary credential (certificate, associates or bachelor's degree).

Earning a post-secondary degree could represent a quarter of a million dollar increase of earnings over a lifetime!

*U.S. BUREAU OF LABOR STATISTICS; bls.gov/careeroutlook/2022/data-on-display/education-pays

Smooth Transition

Community and technical colleges offer a less drastic change from high school than some four-year colleges. Class sizes are small, and campuses are typically easier to access.

Specialized Degrees and Licensing Programs

Community and technical colleges have specialized programs in areas such as welding, automotive technology, nursing, culinary arts and many others that put you on the fast track to a rewarding career.

Best Value for Your Dollar

Community colleges are a great place to take general education courses (e.g., English, math, etc.). You can complete your associates degree in two years, transfer to a four-year state school utilizing the Tennessee Transfer Pathway and save approximately 50 percent in tuition as you complete your bachelor's degree, compared to directly enrolling at a four-year institution.

Below is a possible breakdown of a student who does not receive Pell or TSAA but is both HOPE/Wilder-Naifeh and TN Promise eligible. Please note that these are estimations.

	TCAT	Two-Year Public	Four-Year Public*	Four-Year Private*
Tuition (No books/fees/supplies)	\$3,000	\$4,700	\$8,000	\$20,000
HOPE/Wilder-Naifeh	-\$2,000	-\$3,200	-\$4,500	-\$4,500
TN Promise	-\$1,000	-\$1,500	-\$200	-\$200
Your Cost	\$0	\$0	\$3,300	\$15,300

*Check with your institution of choice to determine both college cost and the amount covered by TN Promise or other institutional aid as all four-year institutions process TN Promise differently.

*In order to use the TN Promise scholarship at a four-year college or university, students must enroll in and be accepted into an associates degree program at that school – not a bachelor's degree program. Students enrolling in a health sciences program will not be eligible to receive TN Promise funding until admitted into the actual program of study. **If you are a UT Promise student, please see page 22.**

**Dental hygiene is Tennessee State University's only TN Promise eligible program. Students enrolling at Tennessee State University in a program other than dental hygiene will be ineligible for the TN Promise scholarship.

At a four-year institution, the TN Promise scholarship may not be last-dollar, meaning it may not fully cover all tuition and mandatory fees. The amount of funding you will receive will be based on the average amount of tuition and mandatory fees at a community college, which is estimated to be \$4,700. As a last-dollar scholarship, TN Promise will provide the remaining amount after Pell, HOPE and TSAA funds are applied. For example, if the average tuition and mandatory fees at a community college were \$4,700 per year and you were receiving \$4,500 in HOPE funds each year but no other federal or state aid, TN Promise would provide \$200 to be applied toward tuition and mandatory fees at one of the eligible four-year institutions listed on this page.

NOW THAT YOU HAVE APPLIED

The college application is only the beginning of the admissions process. Below is a list of next steps you need to complete to ensure you will be able to start classes on time. **tnAchieves has a priority date of May 1 to have all admissions documents submitted to your college.**

Community or Four-Year College Students

- Submit ACT scores, final high school transcript and shot records
- Attend new student orientation
- Take any required placement tests
- Create and check (at least weekly) college account
- Meet with an advisor/success coach
- Register full-time (12 credit hours)
We recommend 15 credit hours each term for on-time completion.

TCAT Students

- Submit final high school transcript and shot records
- Take any required placement tests
- Enroll in a full-time program
- Attend new student orientation

Submit Your Final High School Transcript

This must be an official transcript sent directly from your high school to your post-secondary institution of choice. Talk with your school counselor to determine the procedure for having your transcript sent to your college. Do not wait until the summer to request your transcript—it may be too late!

Attend New Student Orientation

New student orientation is different at every institution. Some have online orientations, some require you to attend an orientation on campus and others host orientation on the first day of classes. Check with the admissions office to determine when your orientation will be held. tnAchieves encourages students to attend orientation on campus, if it is available.

Complete Placement Testing

All colleges have different requirements for placement testing. Placement testing could give you the opportunity to test out of learning support courses, so be sure to take it seriously! Check with your college's admissions office to see if you are required to take placement testing prior to enrollment.

Create Your College Account

If your college has student accounts, create yours NOW and begin to check it weekly. This is where you will be notified if you are selected for financial aid verification (see page 19). This is also how your professors will communicate with you once you are enrolled.

Register for Classes

In college, your classes are not automatically assigned to you. You must select and register for classes based on your academic plan. Meet with an advisor or success coach before you complete registration to ensure you will be taking the correct classes. Please remember, at a community or four-year college, you must register for at least 12 credit hours to remain eligible for TN Promise. If you want to graduate in four semesters, you must take at least 15 credit hours each semester for most concentrations. At a TCAT, you must be enrolled in a full-time program.

QUICK TIP

College classes are not automatically assigned like they are in high school. After you have applied and been accepted, it is your responsibility to register for the classes you need. Make sure you work with an advisor/success coach to select the correct classes for your major!

SUMMER BRIDGE PROGRAM

The Summer Bridge Program is a FREE three-week program designed to help incoming students start on a more college-ready level, both academically and socially. Each day, students receive reading, English and math instruction and attend a college success Lunch & Learn. On the last day of the program, students have a chance to test out of learning support courses at the college they plan to attend.

Is the Summer Bridge Program for me?

If you answer yes to one or more of the following questions, the Summer Bridge Program may be for you!

- Did you score below a 19 on the math section of the ACT?
- Did you score below a 19 on the reading section of the ACT?
- Did you score below an 18 on the English section of the ACT?
- Was your high school GPA below a 3.6?

Is the Summer Bridge Program mandatory?

No. You are not required to attend the Summer Bridge Program in order to receive the TN Promise scholarship.

Does the Summer Bridge Program use my TN Promise funding?

No! You will still receive the same amount of funding as long as you continue to meet the TN Promise requirements. The Summer Bridge Program is FREE!

What do you mean by learning support courses?

If your high school GPA was below a 3.6 or your ACT math or reading score is below a 19 and/or your ACT English score is below an 18, you may be required to enroll in a learning support class during your first semester of college. At the Summer Bridge Program, you will take a college placement test on the first and last day. The goal is to better prepare you for your college experience. If you score high enough on the placement test, you will place out of the learning support class in that subject! Why does that matter? Students do not receive college credit toward their intended major for learning support courses, which can delay graduation.

Where will the Summer Bridge Program be held?

All 13 Tennessee community colleges host an annual Summer Bridge Program on one of their campuses. They are listed below:

- Chattanooga State Community College
- Cleveland State Community College
- Columbia State Community College
- Dyersburg State Community College
- Jackson State Community College
- Motlow State Community College
- Nashville State Community College
- Northeast State Community College
- Pellissippi State Community College
- Roane State Community College
- Southwest Tennessee Community College
- Volunteer State Community College
- Walters State Community College

When is the Summer Bridge Program?

Dates will differ by campus throughout June and July. Check tnAchieves.org for details.

How do I sign up for the Summer Bridge Program?

The application will be available at tnAchieves.org in spring 2023.

If I apply, am I automatically accepted?

Not necessarily. Students must maintain TN Promise eligibility to participate. Students planning to attend TN Promise eligible institutions will be given preference if a program reaches capacity. Acceptance is also first-come, first-served, so we recommend applying sooner rather than later!

CHANGING YOUR INSTITUTION

When you file your FAFSA, you need to make sure you select the TN Promise eligible institution you plan to attend in the fall as your first choice. If you change your mind, you will need to update the first college listed on your FAFSA and TSAC Portal. Your TSAC Portal is where you originally completed the TN Promise application before Nov. 1, 2022.

Any change of institution with FAFSA and TSAC should be made by **July 5**. The longer you wait to update your institution, the longer it will take for your financial aid file to be completed. Failure to change your institution could result in a delay of your TN Promise award and result in you having to pay out of pocket.

Updating Your First Choice Institution on the FAFSA

1. Go to **studentaid.gov**, and log in using your FSA ID prior to **July 5**.
2. Ensure the **2023-24** tab is selected and click **Update Schools** found under **You may take the following additional actions:**
3. Click **Continue**.
4. Create a save key.
 - The save key is for temporary use for you or your parent to return and complete this specific FAFSA form. The save key must be between 4 and 8 characters. You can use any combination of numbers and/or uppercase and lowercase letters. For example, the save key "Student2" is different than the save key "sTuDeNt2."
5. If the school you plan to attend is not included in the schools listed in the summary, click **Add More Schools**.
 - Search for the school you need to add by state, city or school name, or type in the Federal School Code, which can be found in the financial aid section of the college's website. Click **Search**.
 - Select the school in the **Search Results** box, then click **Continue**. The school should appear in the **Selected Colleges and Housing Info** menu. When you are done adding colleges, click **Continue**.
6. In the **Make changes to another section of your FAFSA form?** pop-up box, select **No Thanks, Continue**.
7. Read the terms and check the box indicating that you agree.
8. Click **Sign This FAFSA Form**.
9. Click **Submit My FAFSA Form Now**.
10. You will be directed to a page confirming that your 2023-2024 correction was successfully submitted to Federal Student Aid.
11. You will receive a confirmation email to the email address provided on your FAFSA when you submit changes. **Please save and print this email for your records.**
12. Changes made to your FAFSA can take up to **three days** to process. Stay in close communication with the financial aid office at the college you plan to attend to ensure your FAFSA is accessible to the college.

Updating Your Institution on the TSAC Student Portal

1. Visit **tn.gov/tsacstudentportal** prior to **July 5**.
2. Enter the username and password you created when you applied for TN Promise.
 - If you forgot your username and/or password, click **Forgot username or password?**
 - If you forgot your password, click the **Forgot your password? Click here** link. Enter your email address, the last four digits of your Social Security number and your date of birth. Click **Submit**. A temporary password will be sent to the email address you provided when you applied for TN Promise. The temporary password will expire in one hour. It is suggested that you copy and paste the temporary password from the email into the password field.
3. You may be prompted to answer one of the security questions you chose when you applied for TN Promise. Check the box next to **Register this computer to skip this step next time you login from this computer**. Click **Continue**.
4. The next page will show the image you chose. If it is the correct image, enter your password and click **Log In**.
5. Under the **Grants and Scholarship Program Information** section, you will see **Academic Year 2023-2024** and a list of program names and the institutions (program names include TSAA Tennessee Grants, HOPE Scholarship, Wilder-Naifeh Technical Skills Grant, Tennessee Promise).
6. You will see a **Transfer School** button for each program. You may click on any button and update the institution which will update all programs.
7. Select the correct institution from the drop down box. Click **Process Transfer Request**.
8. Click on **View Financial Summary** on the top right hand corner to return to your student portal. You should see that the institution was changed under the **Grants and Scholarship Program Information** section.
9. When you are finished, click **Log Out**. Please keep your username and password for the TSAC Student Portal in a safe place.

If you need help accessing your student account, or if the portal says there is already an account associated with your information, please call the **TSAC Helpline at 1-800-342-1663**.

FINANCIAL AID VERIFICATION

What is verification?

Verification is a process initiated by the Department of Education at the time you submit the FAFSA. Students selected for verification are required to submit certain documents to the college's financial aid office to verify the information provided on the FAFSA. Not all students are selected for verification, but if you are selected, no federal or state financial aid awards, including TN Promise, can be posted to your account until your financial aid file is verified.

What is the deadline to remain TN Promise eligible?

tnAchieves strongly encourages you to submit all requested documents for verification by **July 5** to avoid any delays with your financial aid package. The longer you wait to submit documentation, the longer it will take for your file to be completed. This means you may be required to pay to keep your classes!

How do I know if I have been selected?

You will be notified by your post-secondary institution if you have been selected for verification. **Check your college account!** Your college account may show alerts when you first log in. In order to be notified if you have been selected for verification, the college must have your application and FAFSA on file. If you do not apply to the college, you cannot be notified you of any outstanding requirements.

Click the links in the alerts to determine what information is being requested. You can also check the financial aid section of your college account for details. If you have trouble accessing or do not have a college account, contact the post-secondary institution's financial aid office directly.

Many colleges begin posting verification requirements to student accounts in April or earlier. If you are selected for verification, make sure you begin working with the financial aid office at the college you plan to attend as soon as possible.

It is important to make sure your college is listed as the first choice school on your FAFSA and your TSAC Student Portal shows the correct institution. Refer to page 18 if you need to change your FAFSA and/or TSAC Student Portal school choice.

What do I do if I am selected for verification?

If you are selected for verification, contact your school's financial aid office. Sometimes linking your FAFSA back to the IRS website will be sufficient. Other times, you will need to collect copies of the documents requested by the financial aid office (e.g., parent and/or student W-2, IRS tax return transcripts, etc.). Once all paperwork is submitted, the financial aid office will make corrections and process your financial aid. Remember, it can take up to four weeks for the financial aid office to process this paperwork, and processing documents may trigger the need for other documents to be submitted, so begin addressing this immediately.

All requested documentation should be submitted to the financial aid office at the college you plan to attend by **July 5** to ensure your file is reviewed and awards are posted to your account prior to the beginning of the term.

Simply turning in documents does not mean you have completed verification. The review process at the college is considered part of verification.

QUICK TIP

All verification is completed through the financial aid office at your college. Check your student account and your student email to see any alerts or notices from the financial aid office. When in doubt, call the financial aid office or stop by in person to check on your account! It is critical that you continue to follow up with your institution to ensure all required documents have been processed.

8 hours of community service must be completed and submitted by July 5, 2023!*

You may begin working on your community service hours November 2, 2022.

*If you plan to enroll at a Tennessee College of Applied Technology over the summer, your first 8 community service hours must be submitted by **April 1, 2023**.

Why?

Community service is a way to give back to your community, become involved and learn more about potential careers. It is also a great way to meet new people and learn about your community.

What?

Community service is time contributed to a nonprofit or public service organization. The community should benefit from the work you do! You can also volunteer in your field of interest to gain experience. This means job shadowing and unpaid internships may count toward your community service requirement.

Make sure you are volunteering with an actual organization (not an individual), you are not being paid and you are being supervised by someone who is not a family member. You can volunteer with more than one organization to meet the 8 hour requirement. You can use unpaid internships and job shadowing opportunities as well! Unpaid internships and job shadowing must be completed at an organization or business directly related to your field of study. Job shadowing submissions are subject to review by tnAchieves staff and may be denied if they do not fit within the guidelines.

tnAchieves offers virtual community service webinars that provide insight into various career fields and offer college tips and advice. **You can watch up to 4 virtual community service webinars that will contribute to the 8 total community service hours needed for each deadline. After viewing 4 virtual community service webinars, you will no longer have access to this feature.** To access the virtual community service webinars, visit tnAchieves.org/virtual.

Examples of what is and is not considered community service:

YES! That counts!	NO! That does NOT count!
Tutoring students at school or a community center	Babysitting your nieces or nephews
Doing laundry for residents of a nursing home	Doing laundry for your elderly neighbor
Building homes for people in need through an organization	Building a deck with your friend
Participating in an environmental clean-up event	Picking up trash during a hike with friends
Volunteering with a JROTC/ROTC group	Service in the military for which you are being paid
Helping with landscaping at a church	Proselytizing (sharing or teaching faith)
Job shadowing in your future career field	Cleaning the parking lot at your place of employment
Attending a tnAchieves job shadow event	Following around the manager of a fast-food restaurant
Shadowing a vet because you are studying Animal Sciences	Working for free at a store because you are studying Business
Watching tnAchieves virtual community service/job shadowing webinars after logging in at tnAchieves.org	Simply watching a YouTube or other online video not hosted by tnAchieves

If you need help finding community service opportunities, tnAchieves posts multiple opportunities for each county at tnAchieves.org/community-service.

Make sure YOU submit your community service hours by the deadline. Do not rely on the organization or another person to complete this important step for you.

³Summer semester/trimester deadlines only apply to students attending a TCAT or students choosing to enroll full time in a summer semester at a community college or eligible four-year institution.

⁴Students attending South College are required to submit 8 hours prior to each quarter. Contact us for specific deadlines.

It is important to note that you may begin completing your community service hours on November 2, 2022. Any community service completed prior to this date will not be accepted. Community service must be submitted each semester and additional hours over the required 8 hours cannot be carried over to the next semester. Hours must be completed within the set timeframe given.

Completing your community service before the deadline but failing to submit to tnAchieves before the deadline will result in the loss of your TN Promise eligibility. Submitting even one minute after the deadline will result in the loss of your TN Promise eligibility.

This assumes the GED or HiSET student met all TN Promise requirements.

2. Attend all scheduled mandatory TN Promise meetings. Students must attend their assigned scheduled meeting as outlined in the student handbook and tNAchieves website.

- Excuse forms will be reviewed for the following: participation in a school-sanctioned event (e.g., athletic event and/or practice, concert and/or rehearsal, national or state conference or competition), death in the immediate family, personal illness, conflict with post-secondary class schedule, conflict with religious observance, personal or immediate family emergency, conflict with work schedule, lack of transportation.

 - All other excuses outside those outlined above are not considered excusable absences and will result in a student losing TN Promise eligibility. This includes meetings that are rescheduled due to inclement weather or school closings.
 - Students who arrive late to a mandatory meeting will lose their TN Promise eligibility. Likewise, students that leave a meeting prior to adjournment will lose their TN Promise eligibility.
 - Students who have an approved absence from tNAchieves must complete the mandatory meeting requirement virtually.

TNACHIEVES POLICIES

6. Submit all financial aid verification documents each year for community and four-year colleges.

- Students attending a TCAT must complete the verification process by October 1 each year.
- tnAchieves encourages students to submit all documents by July 5 to ensure the post-secondary institutions have adequate time to process.
- Students must select the eligible institution they plan to attend as their first choice on the Free Application for Federal Student Aid (FAFSA) as well as direct their TSAC Student Portal to the eligible institution.

7. Complete and submit at least 8 hours of community service prior to the start of each semester/trimester/quarter by the established deadline. See the Community Service Policy below for further details regarding this requirement.

Community Service Policy:

Complete and submit at least 8 hours of community service prior to the start of each semester/trimester/quarter by the established deadline. Community service must be completed under the supervision of an established organization (e.g., nonprofit, public service organization).

- Community service is not:
 - Work resulting in payment.
 - Work done under the supervision of an extended or immediate family member.
 - Work done for an individual rather than an organization (e.g., babysitting, mowing a neighbor's lawn, picking up trash in the neighborhood).
 - Proselytizing (sharing or teaching faith).
 - Work done off the clock/unpaid at the student's job.
- Virtual community service webinars are available as a means to complete up to 4 community service hours for each deadline. The remaining 4 hours must be completed via job shadowing and/or community service opportunities that fit within the guidelines.
 - Each virtual community service webinar counts as one hour. Students will be automatically credited one hour per webinar after viewing the webinar in its entirety.
 - Students are not required to submit a community service form for viewing the webinars.
 - Webinars may only be accessed via tnAchieves.org. All other forms of virtual community service will be denied.
- Students must complete and submit all information regarding community service by the established deadline at tnAchieves.org. Failure to comply by the established dates will result in loss of eligibility. Keep in mind, it is not the responsibility of the organization and/or supervisor to submit hours on a student's behalf.
- Should students feel that extenuating circumstances beyond their control prohibited them from completing and submitting community service by the deadline, they may file an appeal with tnAchieves at <https://tnAchieves.org/appeal-form/>.
 - If the appeal is denied, students will not be able to submit community service after the deadline and will remain ineligible for TN Promise.
 - If the appeal is approved, students will have one week from appeal approval to complete and submit 8 hours of community service, unless otherwise specified in the appeal approval.
 - Should students fail to submit all required community service in the allotted time, they will remain ineligible for TN Promise.
 - Students who are unable to complete community service hours in person due to illness, injury, a documented disability and/or accommodation must file an appeal with tnAchieves prior to the community service deadline.
 - If the appeal is approved, the student will be allowed to complete 8 hours of virtual community service webinars.
 - Documentation is required for any community service appeal submitted to tnAchieves.
 - Unless otherwise specified, an approved appeal only applies to the community service deadline being appealed. Any additional exceptions or accommodations for future terms must be appealed prior to each deadline.
- In the event that a post-secondary institution reverses a student's ineligibility certification after a community service deadline, an exception to the missed deadline may be considered by tnAchieves.
 - If granted, students will be contacted by tnAchieves. Community service must be completed and submitted in its entirety no later than two weeks from notification.
 - Should students fail to submit all required community service in the allotted time, they will remain ineligible for TN Promise.

Other components:

1. Only a member of tnAchieves staff may determine a student's TN Promise eligibility.

- Mentors are an extension of tnAchieves but are not tnAchieves staff members.
- tnAchieves mentors are volunteers and may lack adequate time to answer all questions; therefore, it is the student's responsibility to confirm eligibility with tnAchieves staff.

2. TN Promise only funds last-dollar tuition and mandatory fees. It does not pay for books or other post-secondary expenses (e.g., application fee, program and class specific fees). TN Promise only covers fees required of all students.

3. A student cannot be mentored by a family member.

4. Mentors cannot choose students to mentor.

- tnAchieves staff will randomly assign students to mentors.

5. TN Promise follows the admissions requirements of the post-secondary institution.

- TN Promise will fund learning support classes if the student fails to meet the ACT requirements for college-level coursework.

6. Students are responsible for notifying tnAchieves staff when their contact information changes. Incorrect information does not preclude students from ineligibility.

Should students fail to adhere to any/all policies, tnAchieves invokes the right to remove a their eligibility. tnAchieves values honesty and integrity. A student who submits misinformation will immediately lose TN Promise eligibility. Be respectful in all correspondence and communication, including social media.

Policies may be subject to change without notice. It is a student's responsibility to refer to the policies as posted at tnAchieves.org for updates and changes to the TN Promise legislation.

FREQUENTLY ASKED QUESTIONS

What is TN Promise?

TN Promise is a last-dollar scholarship that provides the opportunity for every Tennessee high school student to earn a post-secondary credential. This also applies to students who complete a GED or HiSET prior to their 19th birthday.

Who is eligible?

Any high school senior who graduates from an eligible Tennessee high school or completes a Tennessee homeschool program is eligible to apply. Students will apply in the beginning of the year in which they will graduate (by November 1, 2022) and begin working with tnAchieves. To receive TN Promise funds, students must complete the tnAchieves program.

Are GED recipients eligible for TN Promise?

Students who complete a GED or HiSET diploma (and have met all other TN Promise eligibility requirements) must enroll full-time in an eligible post-secondary program in the fall term after they receive their diploma, provided that the diploma was earned before they reach 19 years of age.

What if students graduate early from high school?

Students who graduate early from an eligible high school, eligible home school program or obtains a GED or HiSET early may enroll in an eligible post-secondary institution with TN Promise funding prior to fall 2023 provided they meet all requirements:

- Apply to TN Promise by November 1, 2022;
- File the 2022-2023 FAFSA using 2020 tax information by March 1, 2023 (available now to all students at studentaid.gov);
- File the 2023-2024 FAFSA using 2021 tax information by March 1, 2023 (available October 1, 2022 to all students at studentaid.gov);
- Attend their assigned mandatory meeting by March 1, 2023 (see page 6); and
- Complete and submit 8 hours of community service by April 3, 2023 (see pages 21-22).

Early high school graduates are defined as students who graduate from an eligible high school, eligible home school program or completes a GED or HiSET prior to the spring semester of what would normally have been their senior year of high school. After the TN Promise application closes, students who have indicated an early graduation date on their TN Promise application will be notified via email by tnAchieves. If students choose to enroll in an eligible post-secondary institution in the spring term, they must meet all requirements listed above to receive TN Promise funding.

Early high school graduates are not required to begin college prior to the fall term immediately following high school graduation; however, if they chose to enroll in college prior to fall 2023 with TN Promise funding, the term(s) will be counted as one of the 5 semesters/8 trimesters available with TN Promise. Additionally, TN Promise early graduates who enroll and receive funding in the spring and/or summer semester would have a GPA reviewed at the conclusion of the academic year. This could lead to a permanent loss of eligibility. All TN Promise students must maintain a 2.0 cumulative GPA at the end of every academic year.

It is important to note that students must complete all early graduate TN Promise requirements outlined above PRIOR to spring enrollment to avoid triggering a reimbursement process for tuition and mandatory fees. In other words, students who have yet to complete all steps prior to spring enrollment will pay tuition and fees upfront then be reimbursed by TN Promise only when all requirements are satisfied.

Students who find out they can graduate from high school early after the TN Promise application closes and/or later in the fall term of their senior year are responsible for notifying tnAchieves and completing the requirements above to be eligible for an early college start. Please reach out to tnAchieves with any questions.

Do non-U.S. citizens qualify for TN Promise?

No. To be eligible, students must be able to complete the FAFSA, qualify for in-state tuition and possess a valid Social Security number. The DACA number is NOT a valid entry on the Tennessee Promise application. A student must complete the Free Application for Federal Student Aid (FAFSA) for which the student's U.S. citizenship or eligible non-citizenship status has been confirmed by the federal government. Note: This option is only available for:

1. U.S. Citizens;
2. U.S. permanent residents (with an I-151, I-551, or I-551C permanent resident card); or
3. Individuals who have an Arrival/Departure Record (I-94) showing one of the following designations: Refugee, Asylum Granted, Cuban-Haitian Entrant (Status Pending), Conditional Entrant (Valid only if issued before April 1, 1980), Victims of Human Trafficking (T-2, T-3, or T-4 visa), or Parolee (who meets certain conditions).

What does TN Promise fund?

TN Promise is a last-dollar scholarship that funds tuition and mandatory fees at eligible TN Promise post-secondary institutions. These funds cannot be used for books, cost of attendance fees or fees associated with a specific program or class.

In order to use the TN Promise scholarship at a four-year college or university, students must enroll in and be accepted into an associates degree program at that school – not a bachelor's degree program. Students enrolling in a health sciences program will not be eligible to receive TN Promise funding until admitted into the actual program of study.

At a four-year institution, the TN Promise scholarship may not be last-dollar, meaning it may not fully cover all tuition and mandatory fees. The amount of funding you will receive will be based on the average amount of tuition and mandatory fees at a community college, which is estimated to be \$4,700. As a last-dollar scholarship, TN Promise will provide whatever amount remains after Pell, HOPE and TSAA funds are applied. For example, if the average tuition and mandatory fees at a community college were \$4,700 per year and you were receiving \$4,500 in HOPE funds each year but no other federal or state aid, TN Promise would provide \$200 to be applied toward tuition and mandatory fees at one of the eligible four-year institutions found on page 15.

FREQUENTLY ASKED QUESTIONS

Does TN Promise cover remedial education?

Yes. TN Promise will cover remedial classes if a student should need to take them.

How will the funds be administered?

After students meet all TN Promise requirements, the Tennessee Student Assistance Corporation (TSAC) will send the funds to the eligible institution after all Pell, TELS (e.g., HOPE and Wilder-Naifeh) and TSAA funding have been applied.

When does TN Promise funding begin?

Students must begin at an eligible institution the fall semester immediately following high school graduation. TCAT students are able to begin in the trimester beginning in May 2023 as long as the student has completed and submitted community service hours by April 3, 2023.

Will a student receive a check for the scholarship?

Students never directly receive funding from TN Promise. TSAC will send funds directly to the college.

How long after high school graduation will students remain eligible for TN Promise?

If a student continues to meet all requirements, TN Promise funding is available for five consecutive semesters at a community college or eligible four-year institution, eight consecutive trimesters at a TCAT or until a terminating event (graduation or transfer to a non-TN Promise institution) has occurred.

What happens if a student misses a TN Promise deadline?

Failure to meet any TN Promise deadline will result in a student being permanently ineligible for TN Promise.

May a student attend a four-year institution with TN Promise funding?

TN Promise eligible post-secondary institutions (see page 15) offer associates degree programs. In order for students to receive TN Promise funding at one of these eligible institutions, they must meet all deadlines, as well as be accepted in the associates degree program. At these institutions, funding for TN Promise may not be last dollar. The scholarship will be determined by the amount students would receive should they attend a community college. This amount would be portable to the eligible four-year institution. In other words, if a student's last-dollar amount at a community college is \$0 due to a full Pell Grant being awarded, the student would not receive any funding at the eligible four-year institution. If a student receives the HOPE scholarship only, the student would receive approximately \$100 each semester from TN Promise at the four-year institution. Check with the institutions' offices of financial aid to determine student financial responsibility as it varies from college to college.

What should students do if they are having trouble submitting the community service form?

Students who are having trouble with the community service form should follow the prompts on the error page to submit a help request. A tnAchieves staff member will respond via email to help troubleshoot your community service submission.

Can a student take a semester off?

Students may request a medical or personal leave of absence from timely enrollment in the initial semester, full-time attendance or continuous enrollment at an eligible post-secondary institution as long as all other applicable eligibility criteria are met. Medical or personal appeals will be considered in the following situations: illness of the student, illness or death of an immediate family member, extreme financial hardship of the student or student's immediate family, fulfillment of a religious commitment expected of members of that faith, fulfillment of required military service, enrollment for a specific TCAT program being unavailable until a later trimester or other extraordinary circumstances beyond the student's control where attendance by the student creates a substantial hardship. In order to complete an appeal prior to initial enrollment, students must visit tnAchieves.org/resources/appeal-process/ for instructions on submitting an appeal. In order to request a leave of absence after initial enrollment, students must complete the appeal process as specified by their college. In the event an institution denies a request for a medical or personal leave of absence, students may appeal the decision in accordance with the rules found at tnAchieves.org/resources/appeal-process/.

How can students transfer to a four-year program or institution once they have completed their degree or certificate through TN Promise?

Tennessee Transfer Pathways ensure that students follow a prescribed curriculum that is transferable, marked by clarity and available for students to review on the first day of enrollment. There are approved transfer pathways that span multiple disciplines and are accepted at all public institutions in Tennessee. More information about participating institutions can be found at: www.tntransferpathway.org/transfer-campus. Although students who complete an associates degree are no longer eligible for TN Promise, they should contact the four-year institution they are interested in to discuss other sources of aid.

Why is it important to update tnAchieves when emails and phone numbers change?

tnAchieves uses the contact information initially provided on the TN Promise application to send important communication related to program requirements. Failure to notify tnAchieves of changes may result in students missing important emails and texts related to upcoming deadlines. Incorrect information does not preclude a student from ineligibility.

If students and their families have not filed taxes by March 1, 2023, can they still file the FAFSA before the TN Promise deadline?

Yes. Due to changes in the FAFSA application process, students will report income information from 2021 taxes. Reference pages 8-10 of this handbook for additional information.
