## Class of 2017

The mission of **tnAchieves** is to increase higher education opportunities for Tennessee high school students by providing **last-dollar scholarships** with **mentor guidance**.

In partnership with:

# Welcome to tnAchieves

After completing the TN Promise application by November 1, 2016 you will be part of the TN Promise Class of 2017! This program provides you with a unique opportunity to begin a more rewarding life. A college credential is one significant step to fulfilling your potential.

TN Promise is a last-dollar scholarship that ensures tuition and mandatory fee free community and technical college. We encourage you to visit the eligible institutions' websites and campuses to familiarize yourself with all the benefits these schools offer. In fact, while you are on the website, complete the simple college application. Trust me, it will save you time later in the process!

To remain eligible for the TN Promise scholarship, you must complete the tnAchieves program. tnAchieves is the designated partnering organization for your high school. You will be assigned a volunteer mentor. This individual is investing in you and your future. It is your responsibility to take advantage of your mentor and/or the program for guidance through the college access and success processes. It is also important to meet deadlines and complete all the requirements. Failure to comply will result in termination of your TN Promise funding opportunity.

Your first task is to read your handbook. This is your tnAchieves lifeline. It contains all information you need to ensure you remain a TN Promise scholar. You will find a timeline as well as deadlines in this handbook. If you lose your handbook, you may obtain one at [www.tnachieves.org](http://www.tnachieves.org).

One very critical deadline to consider is the 2017-2018 Free Application for Federal Student Aid (FAFSA) filing deadline of January 17, 2017. tnAchieves will explain how families can meet this deadline at your mandatory meetings. You may begin filing your FAFSA on October 1, 2016. Visit [www.fafsa.gov](http://www.fafsa.gov) to complete. See pages 8-10 of your student handbook for more details.

You must attend your mandatory team meetings to remain TN Promise eligible. Dates, times and locations are listed on pages 29-40 of your student handbook. Your assigned team meetings will correspond to the high school you attend. We also strongly encourage your parent(s)/guardian(s) to attend these meetings as the program's requirements and provisions as well as the FAFSA will be discussed.

You are required to attend YOUR assigned team meetings on the date found in your student handbook to remain TN Promise eligible. In other words, work is not an excuse for missing a meeting. Ask off now! Lack of transportation is also not an excusable absence. Arrange for a ride today! See pages 41-44 in your handbook for a complete list of tnAchieves policies and page seven for instructions on submitting the meeting excuse form. Should you miss a meeting and have an excusable reason (e.g., documented illness, death in the immediate family or participation in a school sanctioned event – not a practice), you must complete an excuse form prior to or within 72 hours to remain eligible. You can find this at [www.tnachieves.org](http://www.tnachieves.org).

Another TN Promise requirement is completing and submitting at least 8 hours of community service prior to the beginning of each semester. You may begin completion of your first 8 hours on November 2, 2016 with a deadline of July 1, 2017. It is important to note that students who wish to attend a Tennessee College of Applied Technology during the summer trimester will submit community service prior to April 1, 2017. To submit, you will visit [www.tnachieves.org](http://www.tnachieves.org). It is also important to ensure all admissions and financial aid paperwork is submitted to your institution of choice before August 1, 2017.

Every Monday, tnAchieves will send you an email reminding you of critical deadlines, important dates and necessary requirements. If you are not receiving these consistently beginning in December, tnAchieves has an incorrect email address for you. Please send your correct address to [tnachieves@tnachieves.org](mailto:tnachieves@tnachieves.org). And remember, checking emails at least weekly is fundamental to your future success with TN Promise, tnAchieves and your chosen college. If you have any questions, please feel free to visit our website at [www.tnachieves.org](http://www.tnachieves.org).

We are so proud of your achievements and look forward to celebrating your future accomplishments! We wish you much success!

Best regards,

*Krissy DeAlejandro*

# tnAchieves Stories

## Cesar

"As a first generation student raised by a single mom, I am so lucky to be able to call myself a tnAchieves student. I began working when I was 14 years old to provide financial support for my mom, and I never saw myself in college until TN Promise. I found it hard because that was a step nobody has taken in my family, but knowing that at the end I will be successful keeps me going. *It is because of tnAchieves' help that I am able to take that step that my family was not able to take.* tnAchieves helped me open doors to a more knowledgeable world. My mentor is amazing, very patient and is always there for me whenever I need her. She always has positive words to motivate me to not give up throughout the whole college process. I always go to her for anything I need help with or do not understand. I have a goal that, with the skills and knowledge I am obtaining from my college experience, I will help my community be a better place. I know because of TN Promise I can achieve my dream to own an automotive business after I obtain my degree from Southwest Community College."

## Justin

"I remember sitting at my living room table and reading in the paper that the Class of 2015 has the option and opportunity to go two years tuition free to any community college in the state of Tennessee. I immediately got on the phone with my school counselor and said, *'I want in on this. I don't know how many people are allowed to do it, but I want to be one of them.'* In high school, I had a really rough time with education. At times I thought, I can't do this, I'm just going to give up, this isn't for me. I remember my mom saying, 'Don't give up. You keep trying until you get it, because one of these days, it is going to pay off.' She was right. It is paying off right now! College would not be an option without TN Promise and tnAchieves. I am excited to continue working toward my degree in criminal justice at Northeast State Community College. I know I can call my mentor for anything that I ever need, even if it is just to go to lunch. Without my mentor's help and encouragement, I probably would have just given up. tnAchieves really gave me hope in my future. I will be forever grateful for each and every person who has made it possible for the Class of 2015 to be able to get an education."

## Stephanie

"Being the first in my family to go to college was scary. When I first started college, my younger siblings began to look up to me for advice and guidance, and when I realized that I had the answers from college, it was a powerful moment. It is such an amazing feeling to have my parents look at me and say they are proud of me. Everything I do – whether I get an A or a C, my family looked at me in awe because I was out there pursuing college. When I first started college, I did not know who to go to, and it was scary because no one else in my family had been through this before. That is when I would turn to tnAchieves. It is a great feeling when you know who to go to or you can be the resource for your little siblings. *Because of tnAchieves, I am in college, and I no longer just have dreams, I have goals.*"

## BOARD OF DIRECTORS\*

**Randal Boyd** serves as the Commissioner of the Tennessee Department of Economic and Community Development, founder and Chairman of Radio Systems Corporation and Chairman of tnAchieves. He received a degree from the University of Tennessee in Industrial Management in 1979 and a master's degree in Liberal Studies from Oklahoma University in 1988.

**Mike Ragsdale** is a partner in a consulting company, Tennessee Strategies, LLC. He was elected to serve as Knox County mayor in 2002 and again in 2006. The first in his family to attend college, he completed a doctorate in education at the University of Tennessee where he also received the Torchbearer award as an undergraduate student.

**Rich Ray** is co-founder and CFO of 21st Mortgage Corporation. He is the first in his family to receive a college degree due to the encouragement and support of his parents. Rich is a graduate of old East High School and holds an accounting degree from the University of Tennessee.

**Tim Williams** is co-founder and CEO of 21st Mortgage Corporation. 21st Mortgage is the highest volume lender in the manufactured home industry. In 2003, 21st Mortgage was acquired by Berkshire Hathaway Company. Tim holds a BS and MBA from the University of Tennessee.

**Oliver "Buzz" Thomas** is the Interim Superintendent of Knox County Schools. He was formerly the Executive Director of the Niswonger Foundation and President of Great Schools Partnership. He has a M.Div. from New Orleans Baptist Theological Seminary, a JD from the University of Tennessee and a LLM from the University of Virginia.

\*All board members serve as mentors.

**TN Promise** is a last-dollar scholarship that funds tuition and mandatory fees for up to five semesters at a community college or eligible four-year institution or eight trimesters at a Tennessee College of Applied Technology (TCAT).

As a last-dollar scholarship, TN Promise covers a student's tuition and mandatory fees not paid by federal or state funds (i.e., the Pell Grant, HOPE Scholarship, Tennessee Student Assistance Award and Wilder-Naifeh Technical Skills Grant).

**tnAchieves** is a nonprofit partnering organization to TN Promise. tnAchieves works directly with students as they complete the scholarship requirements, including attending mandatory meetings, completing the FAFSA, working with a mentor and submitting community service.

**The Tennessee Student Assistance Corporation (TSAC)** is a governmental financial aid agency that handles state and federal aid for Tennessee students. It administers TN Promise funds directly to post-secondary institutions.

## The tnAchieves Story

tnAchieves began as knoxAchieves in 2008, launched as an economic development initiative by former Knox County mayor, Mike Ragsdale. Because of its success, knoxAchieves was charged with expanding the program statewide, thus tnAchieves began in 2011. tnAchieves ultimately seeks to build a strong workforce by increasing educational attainment opportunities across the state. More importantly, we hope to improve students' quality of life, increase the value of education in Tennessee and create more lifelong learners. Today, tnAchieves partners with TN Promise in 85 of the 95 Tennessee counties.

# Apply to TN Promise by November 1, 2016

\*Eligibility Requirement

Students apply for TN Promise through the Tennessee Student Assistance Corporation Student Portal. This portal is where you can access updated and personalized information about your application for state financial aid. You can check the status of your awards, contact TSAC with questions or update your profile information.

## How to Complete the TN Promise Application

1. To complete the TN Promise Application, you must have the following:
  - First and last name as they appear on your Social Security card
  - Social Security number as it appears on your Social Security card
  - Date of birth
  - Email address
2. Visit [www.TNPromise.gov](http://www.TNPromise.gov) and click "Apply Now" in the upper right hand corner of the home page.
3. Click on the "Click to register" link if you do not already have an account or the "Sign in" link if you have previously used the TSAC system.
  - You may already have an account if you took a dual enrollment class in high school.
4. Click "Create a Log In."
5. Complete the form, check the box to accept the terms and conditions and click "Create my account."
  - Write down your username and password somewhere safe, along with the answers to your security questions.
6. Select "Click here to log in."
7. Enter the username you created and click "Log In."
8. Click "Apply for Scholarships" in the top left corner of your screen.
9. From the list of scholarships, click on "Tennessee Promise" to access the application.
10. Complete the scholarship application.
  - **Watch for error messages in red.**
  - Please note, the email address you provide on your TN Promise application is the email address tnAchieves will use to communicate deadlines and reminders. It is important to use a working email that you check at least weekly or risk missing important requirements.
11. Once you complete the application and click "submit," a confirmation will appear.
  - **The TN Promise application is not complete until a confirmation screen appears and you receive a confirmation email!**
12. To check on the status of an application, click on "View Financial Summary" from your account home page.

**If you have any issues completing the TN Promise application, please contact TSAC at 1-800-342-1663.**

Upon application, tnAchieves will reference your policies and requirements under the **Class of 2017**, until a terminating event occurs.

# Team Meetings

\*Eligibility Requirement

Team meetings are designed to help prepare you for the steps you will take in the college access process and to empower you as you begin your first semester of college.

## Team meetings are MANDATORY!

You are required to attend the mandatory meetings assigned for your high school. Parents are encouraged to attend team meetings but cannot attend on your behalf. You can find a complete meeting schedule by high school at [www.tnachieves.org](http://www.tnachieves.org) and on pages 29-40 of this handbook. In addition to school announcement reminders, you will receive reminders as your second meeting approaches. Make sure to check the email address provided on your TN Promise application!

Work and lack of transportation are not valid excuses to miss your mandatory meetings – make arrangements now! Early graduates are also required to attend meetings assigned to the institution from which you graduated.

**Failure to attend your assigned mandatory meetings will result in the loss of your TN Promise eligibility.**

## Excuse Form Policy

If you think you need to miss your assigned mandatory meeting, follow these steps:

1. See the Excuse Form Policy (policy #2; page 41) for a list of documented excuses that tnAchieves will review. If the reason for your absence is not listed in the policy, you are required to attend your assigned meeting to remain eligible.
2. Visit [www.tnachieves.org/students2017/excuse2017](http://www.tnachieves.org/students2017/excuse2017) to submit your excuse form prior to or within 72 hours of your assigned meeting date. If you do not submit a complete excuse form prior to or within 72 hours, you will lose your scholarship eligibility, even if the excuse falls within one of the excusable absences listed in tnAchieves policies. Only tnAchieves staff members can approve or deny your excuse. **Mentors, counselors or parents cannot excuse you from a team meeting.**
3. You will receive an email indicating if your excuse has been approved or denied. If your excuse is denied, you must make arrangements to be at your assigned team meeting in order to remain eligible for TN Promise.
4. If your excuse is approved, you must attend another school's TN Promise meeting and sign in with the tnAchieves staff member to satisfy the meeting attendance requirement. Please reference pages 29-40 for a complete list of mandatory meetings held across the state. Please keep in mind that you will more than likely have to travel outside of your county to meet this requirement, so it is to your benefit to attend your assigned meeting for your high school!

## First Team Meeting

### TN Promise and your requirements as a tnAchieves scholar

You can reference the requirements at any time in this handbook!

### FAFSA and the January 17 FAFSA filing deadline

The FAFSA serves as your application for federal and state aid.

Reference pages 8-10 for more information.

### tnAchieves mentors

You will be contacted by a mentor prior to the second mandatory meeting, as long as you meet the January 17 FAFSA filing deadline.

Once a mentor contacts you, be responsive! You will meet your mentor at the next meeting.

## Second Team Meeting

### The college enrollment process

Successful students complete the college application process in a timely manner. For tips, reference pages 15-17.

### Community college and TCAT programs

Representatives from local community colleges and TCATs will provide information on programs offered at their institutions and their admissions requirements.

### FAFSA completion and financial aid verification

Many students are selected by the Department of Education for financial aid verification. Students who do not complete this process will lose their TN Promise eligibility. See pages 21-22 for more details.

## Inclement Weather Policy

If your school is cancelled or dismissed early due to inclement weather, tnAchieves will reschedule your meeting. You will be notified via email. It is your responsibility to check your email or our website for the new date. Failure to attend your rescheduled meeting will result in the loss of your TN Promise eligibility.

### QUICK TIP!

**Write down your team meeting dates! If you do not attend your mandatory team meetings, you will not receive the TN Promise scholarship. Keep track of these dates and talk to your supervisor today about having the night off. Do not let these dates sneak up on you!**

# File your 2017-2018 FAFSA by January 17

\*Eligibility Requirement

## FSA ID

In order to file a FAFSA, you will be required to create an FSA ID. The FSA ID gives you access to Federal Student Aid's online systems and serves as your legal signature for your FAFSA. You, as a student, will need to use your personal information to create the FSA ID. Your parent(s)/guardian(s) will be required to create their own FSA ID to sign your FAFSA as well. Your parent(s)/guardian(s) must use their personal information to create an FSA ID. **This means that students and parent(s)/guardian(s) cannot use the same email address to create their FSA IDs.**

You can create your FSA ID any time before you file the FAFSA. You and your parents are encouraged to create your FSA IDs as soon as possible to avoid delays with the completion of your FAFSA.

**Please remember that creating your FSA ID is NOT the same as filing your FAFSA. If you create an FSA ID but do not file the 2017-2018 FAFSA by January 17, 2017, you will no longer be eligible for TN Promise.**

## Creating your FSA ID

Visit [www.fsaaid.ed.gov](http://www.fsaaid.ed.gov), and follow these steps to create your FSA ID. If you have questions during the process, click on the grey question marks next to each field for additional information.

1. Under the "Create an FSA ID" tab, enter your email address, then enter your email address again to confirm.
  - Create a username and password. (The password must include at least three of these four criteria: numbers, uppercase letters, lowercase letters and/or special characters.)
  - Re-enter your password to confirm.
  - Click "I am 13 years of age or older."
2. Enter your full Social Security number. **Make sure this is your CORRECT Social Security number!!!**
3. Enter your date of birth in the mm/dd/yyyy format (e.g., 01/05/1996).
4. Enter your first name, middle initial and last name. Please note that there is a separate box to enter each part of your name. Do not enter your full name in the first name box.
5. Click "Continue." The information you have already provided should be completed on the next page.
6. Enter your home address, phone number and language preference (English or Spanish).
7. Click "Continue."
8. You will be required to select five challenge questions. If you forget your FSA ID password, you will be required to answer some challenge questions to unlock your account.
9. For Questions 1 and 2, select a question from the list and type your answer. You will create your own question for Questions 3 and 4. Choose questions and answers that are easy for you to remember but difficult for others to guess.
  - The answers you create must have at least three characters. They are not case sensitive.
10. For Question 5, you will need to select a significant date in your life.
  - Your answer must be eight digits in the mm/dd/yyyy format.
  - It is recommended that you choose your date of birth for this question.
11. Click "Continue."
12. Review the information you provided, and read the terms and conditions.
13. Click the box under the terms and conditions that says, "I certify that the above information is correct & accept the terms and conditions."
14. On the next page, you will have the option to verify your email address or to continue without verifying. We recommend you click "Continue without Verifying."
  - You should only verify your email address if you want to use your email address as your FSA ID username.
  - If you choose to do this, you will need to enter the secure code. This will be emailed to the email address provided.
15. Finished! You have created your FSA ID. Remember, you will use this information to submit your FAFSA each year, as well as access a submitted FAFSA to make changes.

**If you have trouble creating your FSA ID, please contact the FSA ID helpline at 1-800-557-7394. You can also webchat with an FSA ID representative: visit [www.fafsa.gov](http://www.fafsa.gov), click "Help," click "Contact Us," click "Live Help."**

# File your 2017-2018 FAFSA by January 17

\*Eligibility Requirement

Continued...

## How to File the FAFSA

The Free Application for Federal Student Aid (FAFSA) serves as the application for the Federal Pell Grant, Tennessee Education Lottery Scholarships (TELS) and Tennessee Student Assistance Award (TSAA). In addition to being a TN Promise requirement, filing the FAFSA by January 17 increases the probability that eligible students will receive more aid. You will receive email reminders of the FAFSA filing deadline.

1. **On or after October 1, 2016**, visit [www.fafsa.gov](http://www.fafsa.gov). This is the official FAFSA website. **DO NOT complete the application at [www.fafsa.com](http://www.fafsa.com) or any other website that asks you for a fee.** FAFSA filing is free.
2. Make sure you select the 2017-2018 FAFSA application. DO NOT submit the FAFSA prior to October 1, 2016, or you will complete the wrong academic year's FAFSA.
3. You will need to create an FSA ID. Please see page 8 for detailed instructions on creating the FSA ID.
4. It is important to enter the correct Social Security number. If entered incorrectly, this will lead to future complications with receiving your aid. Triple check that this is correct, as it can cause major issues down the road.
5. You will utilize 2015 tax information to complete the 2017-2018 FAFSA. If you have filed and completed your 2015 taxes, you can select "I have filed my taxes" and answer the financial questions based on 2015 taxes. If you or your parent/guardian has not completed 2015 taxes at the time of FAFSA completion, you must select "I will file my taxes," file the 2017-2018 FAFSA based on estimations and later update your FAFSA with the filed tax information.
6. Even if you are 18 years old, you will need your parent(s)/guardian(s)' information to complete the FAFSA unless you are married, have children who receive more than half of their support from you, were in foster care, are a ward of the court, are emancipated from your parents, are homeless and/or have parents who are deceased. If you report one or more of these situations as true, you may be required to provide court documentation.
7. If you feel lost, click inside the answer box for any question. Information will appear on the right side of your computer screen indicating where to find the appropriate answer.
8. At the end, you and your parent(s)/guardian(s) will sign your FAFSA electronically using the FSA IDs you created. You can create your FSA ID the same day you file. Make sure you click "Submit" to successfully file your FAFSA. If you click "save," your FAFSA will not be submitted. You will receive a confirmation email after successfully submitting your FAFSA – keep up with this email for your record!
9. Your high school and local college host events from October-January to assist you and your parents with the filing process. Please make arrangements to attend, if needed!
10. Please make sure you select the TN Promise eligible institution you plan to attend as the first choice school! If you change your mind, you must log back into your FAFSA and change it so the post-secondary institution can retrieve your information. You must also change your institution on the TSAC Student Portal. See page 20 of this handbook for instructions.

**If you lose your FSA ID and password or have trouble accessing your FAFSA, contact the FAFSA helpline at 1-800-4FEDAID (1-800-433-3243).**

# FAFSA Facts

## Before You Begin

The fastest way to sign your application and have it processed is to create an FSA ID. The FSA ID allows students and parents to identify themselves electronically to access FSA websites. An FSA ID is also the only way to access or correct your information online.

If you have an FSA ID but forget your username or password, attempt to log in on the FAFSA home page and click on the "forgot username" or "forgot password" link.

## Dependency

If you are a dependent student, you will report your own and your parent(s)/guardian(s)' information. If you are an independent student, you will report your own information (and, if you are married, your spouse's). For clarification on your status, please visit: [www.studentaid.ed.gov/sa/fafsa/filling-out/dependency](http://www.studentaid.ed.gov/sa/fafsa/filling-out/dependency).

## Reporting Parent/Guardian Information

There are numerous scenarios a student may encounter when reporting parent/guardian information on the FAFSA. The answers to questions regarding parent/guardian information may differ based on your parent(s)/guardian(s)' marital status and living situation. If you have a question regarding your unique situation, you can visit [www.studentaid.ed.gov/sa/fafsa/filling-out/parent-info](http://www.studentaid.ed.gov/sa/fafsa/filling-out/parent-info) for a breakdown of multiple scenarios. You can also contact the financial aid office of the college you plan to attend to ask specific questions.

## Making Corrections to FAFSA

Log into FAFSA on the Web using your FSA ID and password, and click "Make FAFSA Corrections."

When correcting your FAFSA, you can:

- 1) Add or remove colleges from your application.
- 2) Change your email or mailing address.
- 3) Correct any field in your FAFSA other than your Social Security number.

Any corrections you make to your application using FAFSA on the Web will be processed in three to five days. You will receive a revised Student Aid Report (SAR) reflecting the corrections that you made to your application. All of the schools you listed on your FAFSA will have access to the revised information one day after it is processed.

## IRS Data Retrieval Tool

The IRS Data Retrieval Tool allows students and parents to access the IRS tax return information needed to complete the FAFSA and easily transfer the data directly and accurately into the FAFSA from the IRS website.

In the finances section of your FAFSA, click "Link to IRS" and log in with the IRS to retrieve your tax information. On the IRS website, you must enter the requested information exactly as it appears on your tax return. Click the "Transfer My Tax Information into the FAFSA" box and then review to ensure your information has been transferred into the appropriate data fields. Questions populated with tax information will be marked with "Transferred from the IRS."

Note: There are several scenarios in which you might not be given the option to use the IRS Data Retrieval Tool. Filing your taxes electronically or by mail will determine how quickly you can use the IRS Data Retrieval Tool. Usually the tool is available three weeks after tax returns are filed electronically or seven to eleven weeks after tax returns are filed by mail.

# Who is My Mentor?

In March you will be assigned a mentor who has made the commitment to encourage and support you as you transition from high school to college.

*This is one of the most valuable opportunities you have with TN Promise.*

This is your chance to receive guidance and support. Mentors are invested in helping **you** succeed. Applying to college and everything that goes with it can be an intimidating process. Your mentor is there to help! Be willing to openly communicate with your mentor as you prepare to start your first semester of college, and **do not hesitate to ask them questions.**

## Your mentor is a(n)...

## Connect with your mentor when...

- You have a question.
- You complete a step in the process. They want to celebrate with you!
- He/she asks a question of you via email, text message or voicemail.
- You are excited/nervous/worried about starting college.

You will meet your mentor for the first time at your second mandatory team meeting. This is an opportunity to get to know your mentor and for them to get to know you. Be willing to open up, answer their questions and ask any questions of your own.

### QUICK TIP!

**Ask your mentor questions when you are confused or unsure about the process.  
Do not be afraid to talk to your mentor—they are here to help!**

# Mentor/Mentee Communication

Before you meet your mentor, he/she will send you an email introducing himself/herself to you. Respond to their email! Below is an example of what the email may look like and an example of how you can respond.

## Example of an Email from Your Mentor

Hello Jason,

My name is Stephen, and I am your tnAchieves mentor. I am here to help you with the college going process and to help you be successful once you enter college. Congratulations on completing the first three requirements of TN Promise. I am excited to work with you!

I am going to check in with you every two weeks to remind you of upcoming dates and deadlines that are important to your success and eligibility with TN Promise. I am available to help you with any questions that you have about the process so feel free to let me know if I can be of assistance.

You can reach me at this email address or my phone number 123-456-7890.

I also want to remind you of your second mandatory team meeting on March 27 at your high school. I look forward to meeting you there! In the meantime, please let me know if you have any questions. I am excited to work with you this year and see you accomplish great things!

Do me a favor, and let me know that you have received my email. Even just a "Thank you!" will do.

Sincerely,  
Stephen

## Example of an Email to Your Mentor

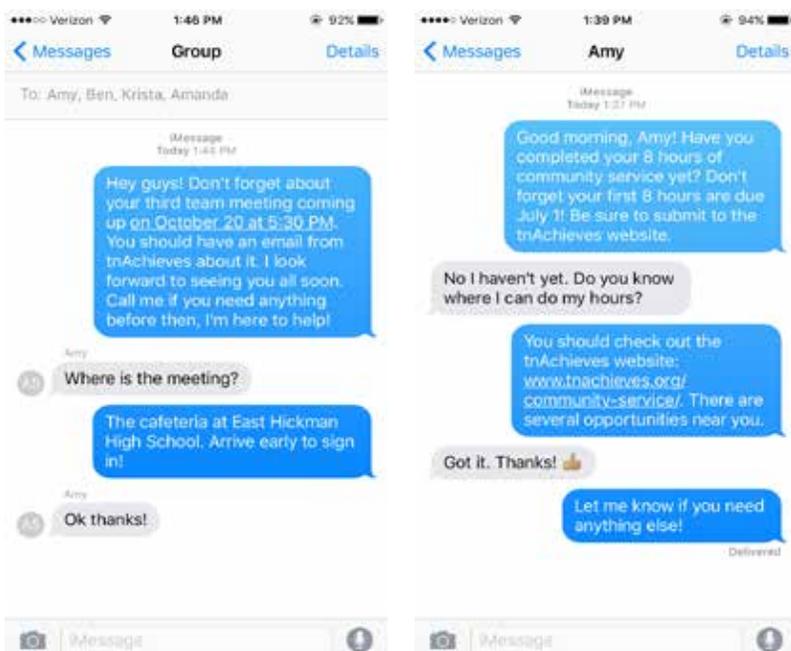

Hi Stephen,

Thank you for emailing me. I am really excited about the TN Promise scholarship. No one in my family has been to college, so I am kind of nervous about how it all works. Thank you for working with me as my mentor.

I will see you at our meeting!

Jason

## Example Text Communication

### QUICK TIP!

**Respond to your mentor's messages, even if you just say "OK!" or "Thanks!" Take a moment to let them know you got their message, or respond with a question if you have one.**

# Suggested Communication

## COMMUNICATION PLAN

### October 2016

- Handbook distribution and first TN Promise meeting for public high school seniors: students receive handbooks and information on TN Promise, FAFSA, team meeting schedule and attendance, tnAchieves policies and eligibility requirements.

### November/December 2016

- First TN Promise meeting for private/homeschool applicants: students receive handbooks and information on TN Promise, FAFSA, team meeting schedule and attendance, tnAchieves policies and eligibility requirements. One meeting will occur in each county for private/homeschool applicants.

### November 2016-April 2017

- Weekly Monday emails begin.
- Students are emailed a copy of tnAchieves policies.
- Students receive team meeting reminder emails two weeks and one week prior to assigned second meeting.
- Students receive text message reminders one day before assigned team meetings.
- TN Promise reminder posters are sent to counselors to advertise meetings in schools.
- Reminders are posted to social media, including Twitter and Facebook.

**This outline does not include all email/text reminders sent to parents/guardians.**

**It is important to note that tnAchieves uses the contact information provided on the TN Promise application to communicate with students. It is the student's responsibility to notify tnAchieves should their contact information change.**

Your mentor is here to help you succeed! Ask questions! Respond to them! You should be communicating with your mentor every month. If you do not know what to discuss with your mentor, here are some suggestions:

### March

- Respond to your mentor's text or email before your second team meeting.
- Let your mentor know whether you are able to attend the meeting or not. Remember, this meeting is mandatory and will be the first time you meet your mentor! Your mentor cannot excuse you from the team meeting.

### April

- Tell your mentor where you applied to college and discuss other documents that need to be submitted to your institution.
- Tell your mentor your new college email address!

### May

- Work with your mentor to brainstorm where you can complete your community service hours that are due July 1.
- Ask your mentor if he/she knows of any job shadowing opportunities for you.
- Let your mentor know which new student orientation you plan to attend at your college!

### June

- Check in with your mentor to let him/her know that you successfully submitted your community service hours!

### July

- Let your mentor know about the appointment you made with an academic advisor at your college.
- Let your mentor know if you have completed the financial aid verification process.

### August

- Let your mentor know about your first day of college classes.

### September

- Let your mentor know that you will be attending your third team meeting!

### October

- Ask your mentor for suggestions of new places to complete your next 8 hours of community service that are due December 1.

### November

- Talk to your mentor about getting involved on your campus! Do you need tutoring or help from the writing center? Are you in any clubs?

### December

- Talk to your mentor about any study tips he/she may have as you prepare for your exams.
- Let him/her know that you successfully submitted your second 8 hours of community service that were due December 1.

# Goal Setting Activity

*\*To be completed at your second team meeting with your mentor*

What do you want to achieve? What steps do you need to take to get there? Setting specific goals can motivate and encourage you to grow and succeed. It can help you focus, not only as you start your first year of college, but throughout your career as well. This activity is designed to help you think through the specific steps you need to take to graduate from college.

## 1. Set a long-term goal.

Be specific. How long do you have to accomplish your goal?

**Goal:** Graduate from college with a degree in \_\_\_\_\_ semesters/trimesters.

Degree	Number of semesters/trimesters until you graduate (only taking required 12 credit hours/semester AND passing every class)*	Number of semesters/trimesters until you graduate (taking 15 credit hours/semester AND passing every class)*
Certificate	1-6 trimesters (3-24 months)	1-6 trimesters (3-24 months)
Associate	5 semesters (2.5 years)	4 semesters (2 years)
Bachelor's	10 semesters (5 years)	8 semesters (4 years)

\*If you have to re-take a class or change your major, these timelines would be extended. These timelines are also dependent upon your program of study.

## 2. Break a long-term goal down into several short-term goals.

Develop two short-term goals. These short-term goals are necessary to meet your long-term goal.

**Short-term goal 1:**

**Short-term goal 2:**

## 3. Track your progress.

What could get in your way? Use the space below to write down some potential challenges, and brainstorm how you would overcome those challenges to stay on track and meet your long-term goal.

# Choose Your College

## How to Apply

**Community Colleges:** All community college applications can be completed online. If you do not have internet access, most colleges will allow you to complete an application on their campus.

**Tennessee Colleges of Applied Technology:** Most TCAT applications must be completed on paper and submitted to the admissions office at the TCAT you plan to attend. Depending on location and program, a student may need to place their name on a waiting list once they have applied.

**Make sure to complete an application by early spring. We recommend an April 1 application priority date!**

## Benefits of Community and Technical Colleges

### Better Job Opportunities and More Money!

In the future, 80 percent of the fastest growing jobs in the United States will require at least some post-secondary education. By the year 2025, 55 percent of all jobs in Tennessee will require employees to have earned a post-secondary credential (certificate, associate or bachelor's degree).

**Earning a post-secondary degree could represent a quarter of a million dollar increase of earnings over a lifetime!**

\*US Census Bureau, median earnings in past 12 months in Tennessee, ages 25-64

### Smooth Transition!

Community and technical colleges offer less of a drastic change from high school than some four-year colleges. Class sizes are small, and campuses are typically easier to access.

### Specialized Degrees and Licensing Programs!

Community and technical colleges have specialized programs in areas such as welding, automotive technology, nursing, culinary arts and many others that put you on the fast track to a rewarding career.

### Best Value for Your Dollar!

Community colleges are a great place to take general education courses (e.g., English, math, etc.). You can complete your associate degree in two years, transfer to a four-year state school utilizing the Tennessee Transfer Pathway and save approximately 50 percent in tuition as you complete your bachelor's degree, compared to directly enrolling at a four-year institution.

Below is a possible breakdown of a student who does not receive Pell or TSAA but is both HOPE/Wilder-Naifeh and TN Promise eligible. Please note that these are estimations.

	TCAT	Two-Year Public	Four-Year Public	Four-Year Private
<b>Tuition (No books/fees/supplies)</b>	\$3,000	\$4,000	\$8,000	\$20,000
<b>HOPE/Wilder-Naifeh</b>	-\$2,000	-\$3,000	-\$3,500	-\$3,500
<b>TN Promise</b>	-\$1,000	-\$1,000	-\$500	-\$500
<b>Your Cost</b>	<b>\$0</b>	<b>\$0</b>	\$4,000	\$16,000

**\*In order to use the TN Promise scholarship at a four-year college or university, students must enroll in and be accepted into an associate degree program at that school – not a bachelor's degree program.** Students enrolling in a health sciences program will not be eligible to receive TN Promise funding until admitted into the actual program of study.

At a four-year institution, the TN Promise scholarship may not be last-dollar, meaning it may not fully cover all tuition and fees. The amount of funding you will receive will be based on the average amount of tuition and fees at a community college, which is estimated to be \$4,000. As a last-dollar scholarship, TN Promise will provide whatever amount remains after Pell, HOPE and TSAA funds are applied. For example, if the average tuition and fees at a community college were \$4,000 per year and you were receiving \$3,500 in HOPE funds each year but no other federal or state aid, TN Promise would provide \$500 to be applied toward tuition and fees at one of the eligible four-year institutions listed above.

# Now That You Have Applied

The college application is just the beginning of the admissions process. Below is a list of next steps you need to complete to ensure you will be able to start classes on time.

## Community College and University Students

- Submit ACT scores, high school transcript and shot records
- Attend new student orientation
- Take any required placement tests
- Create and check (at least weekly) college account
- Meet with an advisor
- Register full-time (12 credit hours)  
We recommend 15 credit hours each term for on-time completion.

## TCAT Students

- Submit high school transcripts and shot records
- Take any required placement tests
- Enroll in a full-time program
- Attend new student orientation

## Submit Your High School Transcript

This must be an official transcript, sent directly from your high school to your post-secondary institution of choice. Talk with your school counselor to determine the procedure for having your transcript sent to your college. Do not wait until the summer to request your transcript—it may be too late!

## Attend New Student Orientation

New student orientation is different at every institution. Some have online orientations, some require you to attend an orientation on campus and others host orientation on the first day of classes. Check with the admissions office to determine when your orientation will be held. tnAchieves encourages students to attend orientation **on campus**.

## Complete Placement Testing

If you scored below a 19 on your ACT in math or reading or below an 18 in English, you may be required to take a placement test at your college. Check with your advisor to see if additional testing is required.

## Create Your College Account

If your college has student accounts, create yours NOW and begin to check it weekly. **This is where you will be notified if you are selected for financial aid verification (see pages 21-22).** This is also how your professors will communicate with you once you are enrolled.

## Register for Classes

In college, your classes are not automatically assigned to you. You must select and register for classes based on your academic plan. Meet with an advisor before you complete registration to ensure you will be taking the correct classes. Please remember, at a community college or university, you must register for at least 12 credit hours to remain eligible for TN Promise. If you want to graduate in four semesters, you must take at least 15 credit hours each semester for most concentrations. At a TCAT, you must be enrolled in a full-time program.

### QUICK TIP!

**College classes are not automatically assigned like they are in high school. After you have applied and been accepted, it is your responsibility to register for the classes you need. Make sure you work with an advisor to select the correct classes for your major!**

# Summer Bridge Program

The Summer Bridge Program is a FREE three-week program designed to help incoming students start on a more college-ready level, both academically and socially.

Each day, students receive reading, writing and math instruction and attend a college success Lunch & Learn. On the last day of the program, students have a chance to test out of learning support courses at the college they plan to attend.

## Is the Summer Bridge Program for me?

If you answer “yes” to one or more of the following questions, the Summer Bridge Program is for you!

- Did you score below a 19 on the math section of the ACT?
- Did you score below a 19 on the reading section of the ACT?
- Did you score below an 18 on the English section of the ACT?

## Is the Summer Bridge Program mandatory?

No. You are not required to attend the Summer Bridge Program in order to receive the TN Promise scholarship.

## Does the Summer Bridge Program use my TN Promise funding?

No! You will still receive the same amount of funding as long as you continue to meet the TN Promise requirements. The Summer Bridge Program is FREE!

## What do you mean by “learning support” courses?

If your ACT math or reading score was below a 19 and/or your ACT English score was below an 18, you may be required to enroll in a learning support class during your first semester of college. At the Summer Bridge Program, you will take a college placement test on the first and last day. The goal is to better prepare you for your college experience. If you score high enough on the placement test, you will place out of the learning support class in that subject! Why does that matter? Students do not receive college credit towards their intended major for learning support courses, which can delay graduation.

## Where will the Summer Bridge Program be held?

Each of the 13 community colleges will host a Summer Bridge Program on one of its campuses.

## When is the Summer Bridge Program?

Dates will differ by campus throughout June, July and August. Check [www.tnachieves.org](http://www.tnachieves.org) for details.

## How do I sign up for the Summer Bridge Program?

The application will be available at [www.tnachieves.org](http://www.tnachieves.org).

## If I apply, am I automatically accepted?

Not necessarily. The acceptance process is first-come, first-served, so apply early!

## 2016 Summer Bridge Program Snapshot

89%

of students test out of at least one learning support class or improve their scores in the subjects they require.

95%

of students leave the Summer Bridge Program feeling more prepared for college!

# Changing Your Institution

## Updating Your Institution

When you file your FAFSA, you need to make sure you select the TN Promise eligible institution you plan to attend as your first choice. If you change your mind, you will need to update the first college listed in two places: FAFSA and TSAC Student Portal.

Any change of institution with FAFSA and TSAC must be made by July 15. The longer you wait to update your institution, the longer it will take for your financial aid file to be completed. Failure to change your institution could result in loss of your TN Promise eligibility.

## Updating Your First Choice Institution in the FAFSA

1. Go to [www.fafsa.gov](http://www.fafsa.gov), and log in using your FSA ID prior to July 15.
2. Enter the save key you created when you began your 2017-2018 FAFSA.
  - If you forgot the save key you created, click "I Forgot My Save Key."
3. Go to "School Selection" to view the "School Selection Summary."
4. The school you plan to attend should be listed first. If it is not, click on the school name to select it.
5. Click the grey "First" button on the right side of the schools list. Click "Next."
6. If the school you plan to attend is not included in the schools listed in the summary, click "Add a School."
  - Search for the school you need to add by state, city or school name, or type in the Federal School Code, which can be found in the financial aid section of the college's website. Click "Search."
  - Select the school in the "Search Results" box, then click "Add." The school should appear in the "Selected Schools" box. When you are done adding colleges, click "Next."
7. Continue to the "Sign & Submit" page to submit the changes to your FAFSA. You must submit the changes. If you only save them, your school choice will not be updated.
8. Once you submit the changes, you should see a confirmation page that says, "Congratulations! Your FAFSA was successfully submitted to Federal Student Aid."
9. You will receive a confirmation email to the email address provided on your FAFSA when you submit changes. Please save and print this email for your records.
10. Changes made to your FAFSA can take up to three days to process. Stay in close communication with the financial aid office at the college you plan to attend to make sure they are able to access your FAFSA.

### QUICK TIP!

**List the school you are MOST LIKELY to attend as your first institution. You are given space to list up to 10 schools—make sure you select every school you are considering on this list.**

# Changing Your Institution

## Updating Your Institution in the TSAC Student Portal

1. Visit [www.tn.gov/tsacstudentportal](http://www.tn.gov/tsacstudentportal) prior to July 15.
2. Enter the username you created when you applied for TN Promise.
  - If you forgot your username, click the "Forgot your username? Click here" link.
3. You may be prompted to answer one of the security questions you chose when you applied for TN Promise. Click "Continue."
4. The next page will show the image you chose. If it is the correct image, enter your password, and click "Log In."
  - If you forgot your password, click the "Forgot your password? Click here" link. A temporary password will be sent to the email address you provided when you applied for TN Promise. The temporary password will expire in one hour. It is suggested that you copy and paste the temporary password from the email into the password field.
5. Under the "Grants and Scholarship Program Information" section, you will see "Academic Year 2017-2018" and a list of program names and the institutions (program names include TSAA Tennessee Grants, HOPE Scholarship, HOPE Access Grant, Wilder-Naifeh Technical Skills Grant, Tennessee Promise).
6. Click on the blue link that says "Click here to process an institution transfer request for Academic Year 2017-2018."
7. Select the correct institution from the drop down box. Click "Process Transfer Request."
8. Click on "View Financial Summary" on the top right hand corner to return to your student portal. (You should see that the institution was changed under the "Grants and Scholarship Program Information" section.)
9. When you are finished, click "Log Out." Please keep your username and password for the TSAC Student Portal in a safe place.

If you need help accessing your student account, or if the portal says there is already an account associated with your information, please call the TSAC Helpline at 1-800-342-1663.

TSAC STUDENT PORTAL USERNAME: \_\_\_\_\_

### QUICK TIP!

**Your TN Promise funding goes to the school indicated on your TSAC Student Portal. Make sure you list the school you are actually attending in your TSAC Portal. If you change schools, update your TSAC Portal immediately so your funding ends up at the same school as you.**

# Complete Financial Aid Verification

\*Eligibility Requirement

## What is verification?

Verification is a process initiated by the Department of Education at the time you submit the FAFSA. Students selected for verification are required to submit certain documents to the college's financial aid office to verify the information provided on the FAFSA. Not all students are selected for verification, but if you are selected, no federal or state financial aid awards, including TN Promise, can be posted to your account until your financial aid file is verified.

## What is the deadline to remain TN Promise eligible?

You must submit all requested documents to the post-secondary institution of your choice by close of business August 1. tnAchieves strongly encourages you to submit by July 15 to avoid problems with eligibility.

## How do I know if I have been selected?

You will be notified by your post-secondary institution if you have been selected for verification. Check your college account! Your college account may show alerts when you first log in. In order to be notified if you have been selected for verification, the college must have your application and FAFSA on file. If you do not apply to the college, they cannot notify you of any outstanding requirements.

Click the links in the alerts to determine what information is being requested. You can also check the financial aid section of your college account for details. If you have trouble accessing or do not have a college account, contact the post-secondary institution's financial aid office directly.

Many colleges begin posting verification requirements to student accounts in April or May. If you are selected for verification, make sure you begin working with the financial aid office at the college you plan to attend as soon as possible.

It is important to make sure your college is listed as the first choice school on your FAFSA and your TSAC Student Portal shows the correct institution. Refer to pages 19-20 if you need to change your FAFSA and/or TSAC Student Portal school choice.

## What do I do if I am selected for verification?

If you are selected for verification, contact your school's financial aid office. Sometimes linking your FAFSA back to the IRS website will be sufficient. Other times, you will need to collect copies of the documents requested by the financial aid office (e.g., parent and/or student W-2, IRS tax return transcripts, etc.). Once all paperwork is submitted, the financial aid office will make corrections and process your financial aid. Remember, it can take up to four weeks for the financial aid office to process this paperwork, and processing documents may trigger the need for other documents to be submitted, so begin addressing this immediately.

All requested documentation must be submitted to the financial aid office at the college you plan to attend **by July 15** to remain eligible for TN Promise.

Simply turning in documents does not mean you have completed verification. The review process at the college is considered part of verification.

### QUICK TIP!

**All verification is completed through the financial aid office at your college. Check your student account and your student email to see any alerts or notices from the financial aid office. When in doubt, call the financial aid office or stop by in person to check on your account! It is critical that you continue to follow up with your institution to ensure all required documents have been processed.**

# Complete Financial Aid Verification

\*Eligibility Requirement

Continued...

**tnAchieves strongly encourages students to submit all requested documentation by July 15.** The earlier you begin the verification process, the better. Federal and state financial aid (e.g., Pell, TELS, TSAA, TN Promise) cannot be posted to your account until your financial aid file is complete and verified.

Your college may have a priority date for verification. This means that if you submit all requested documentation by the college's established priority date, the college guarantees your financial aid file will be reviewed and verified before classes begin. Contact the financial aid office at the college to determine the established priority date.

Failure to meet the August 1 submission deadline could result in the loss of your TN Promise eligibility. This includes ensuring your FAFSA is directed to the eligible institution you plan to attend (see pages 19-20 for instructions to update your institution with FAFSA and TSAC).

## What does it mean to complete the verification process?

This means the college has verified all documents that have been submitted and there are no other outstanding requirements. Simply submitting all requested documents does not mean the verification process is complete.

It is your responsibility to confirm with the post-secondary institution that your admissions and financial aid files are processed, verified and ready for award.

## Other Scholarships/Aid

We understand that some tnAchieves students will not need TN Promise funding to pay for college tuition or fees. We ask that these students continue to work with tnAchieves by meeting the GPA requirement of 2.0, filing FAFSA by the established deadline each year and completing eight hours of community service by the established deadline prior to the start of each semester/trimester. Maintaining your eligibility guarantees that TN Promise will cover the last-dollar tuition if your other federal or state financial aid changes.

Trust us, this happens often, so keep up with your requirements!

**TCAT Students:** Your verification documents must be submitted by October 1. Work closely with your TCAT financial aid office to submit any requested documentation early. The information above regarding the verification process applies to students attending a TCAT.

### QUICK TIP!

**Do not assume you do not need to submit documents! As soon as you have been accepted, call your college's financial aid office and ask specifically if you need to turn in any verification documents. This process can be confusing, but you have to stay on top of it, or you will not be able to receive scholarships and financial aid.**

# Submit 8 Hours of Community Service

\*Eligibility Requirement

**8 hours of community service must be completed and submitted by July 1, 2017!\***

You may begin working on your community service hours November 2, 2016.

\*If you plan to enroll at a Tennessee College of Applied Technology over the summer, your first 8 community service hours must be submitted by April 1, 2017.

**Why?** Community service is a way to give back to your community, become involved and say ‘thank you’ for this scholarship! It is also a great way to meet new people and learn about your community.

**What?** Community service is time contributed to a nonprofit or public service organization. The community should be benefitting from the work you do! Students can also volunteer in their field of interest to gain experience. This means that job shadowing and unpaid internships may count toward your community service requirement.

Make sure you are volunteering with an actual organization (not an individual), you are not being paid and you are being supervised by someone who is not a family member. Students can volunteer with more than one organization to meet their 8 hour requirement. Students can count unpaid internships and job shadowing opportunities as well!

## Check out these examples of what is and is not considered community service!

<b>YES! That counts!</b>	<b>NO! That does NOT count!</b>
Tutoring students at a community center	Babysitting
Doing laundry for residents of a nursing home	Doing laundry for your elderly neighbor
Working with an organization to build homes for people in need	Building a deck with your friend
Participating in an environmental clean-up event	Picking up trash during a hike with friends
Volunteering with a JROTC/ROTC group	Service in the military for which you are being paid
Helping with landscaping at a church	Proselytizing (sharing faith)
Job shadowing in your future career field	Cleaning the parking lot at your place of employment
Volunteering to work at a booth for a food drive, charity race or blood drive	Donating cans to a food drive, running a race or donating blood

**If you need help finding community service opportunities, tnAchieves posts multiple opportunities for each county at [www.tnachieves.org](http://www.tnachieves.org).**

### QUICK TIP!

**Think about what you are interested in or care about before picking a place to complete community service. Love animals? Volunteer at an animal shelter! Want to work in health care? Job shadow at a hospital to get a behind-the-scenes peek into your future career. Whatever you choose to do, make sure you submit all 8 hours to [www.tnachieves.org](http://www.tnachieves.org) by the established deadlines!**

## How?

1. *Find an organization!* Looking for places to volunteer? Check out [www.tnachieves.org](http://www.tnachieves.org), contact your local United Way or ask your mentor! Already have a place in mind? You are welcome to complete your hours anywhere that meets the requirements on page 23.
2. *Complete at least 8 hours!* Don't forget: someone who works for the organization must be able to confirm you were there the entire time. Before you leave, ask your supervisor for his/her name, email address and phone number. You will need this information to submit your form!
3. *Submit your form!* Go to [www.tnachieves.org/community-service/submit-cs-hours](http://www.tnachieves.org/community-service/submit-cs-hours) and complete the form entirely. Below are a few tips for completing the form:
  - Did you volunteer at the same organization multiple days? When completing the form, make sure you list all of the days you worked and the **total** number of hours that you completed.
  - Having problems submitting the form? Email us: [tnachieves@tnachieves.org](mailto:tnachieves@tnachieves.org)
  - After you have submitted your form, you should see a completion page that states **"Thank you for submitting a tnAchieves community service form."** You will also receive a confirmation email at the email address you provided on your form.
  - If you receive an error message when completing your form, this means your form did not submit and your hours have not been received! Please follow the directions provided on the error message, or contact us: [tnachieves@tnachieves.org](mailto:tnachieves@tnachieves.org).
  - To check the number of hours you have submitted, provide your information at [www.tnachieves.org](http://www.tnachieves.org).

\*Only students attending a TCAT may enroll the summer directly following high school graduation and must meet the April 1, 2017 deadline.

\*\*Summer semester/trimester deadlines only apply to students attending a TCAT or students choosing to enroll full time in a summer semester at a community college or eligible four-year institution.

\*\*\*Students attending South College are required to submit 8 hours prior to each quarter. Contact [tnachieves@tnachieves.org](mailto:tnachieves@tnachieves.org) for specific deadlines.

**It is important to note that you may begin completing your community service hours on November 2, 2016. Any community service completed prior to this date will not be accepted. Community service must be submitted each semester and additional hours over the 8 required may not be carried over to the next semester. Hours must be completed within the timeframe given above.**

**Simply completing your community service before the deadline but failing to submit to tnAchieves before the deadline will result in the loss of your TN Promise eligibility. Even one minute after the deadline will result in the loss of your TN Promise eligibility.**

# College Student Requirements

*As you begin your first semester of college, keep the following TN Promise scholarship requirements in mind!*

## **Enroll as a Full-Time Student Each Semester.**

At a community college or four-year college, you must maintain enrollment in at least 12 credit hours each semester. At a TCAT, you must maintain enrollment in a full-time program. Remember, in order to maintain enrollment, you must attend and participate in all courses. Failure to attend class could result in you being dropped from the course and result in the loss of your TN Promise eligibility.

## **Maintain Satisfactory Academic Progress.**

At a community college, you must maintain at least a cumulative 2.0 GPA. At a TCAT, the requirements to maintain satisfactory academic progress vary depending on your program. Check with your instructor to find out the requirements for your program.

## **Complete and Submit 8 Hours of Community Service Before Each Deadline.**

Community service hours must be submitted by the established deadline prior to each semester/trimester. See pages 23-24 for deadlines and information.

## **Attend the Third Team Meeting.**

Your third team meeting will ensure you are comfortable in your first semester as a college student. It is also the second in-person meeting with your mentor. Reference [www.tnachieves.org](http://www.tnachieves.org) for dates and locations of third team meetings.

## **File the FAFSA by the Established Deadline Each Year.**

Submit your FAFSA at [www.fafsa.gov](http://www.fafsa.gov). If selected for financial aid verification, you must complete verification before the established deadline each year. This requires submitting all requested documents by August 1!

## **Continue to Check Your Emails.**

You will receive an email from tnAchieves every Monday. If you are not receiving emails from tnAchieves, contact a tnAchieves staff member to update your contact information.

### **QUICK TIP!**

**Successful students use the resources provided by their college to stay on top of their studies. Read your weekly emails from tnAchieves for tips on utilizing these valuable campus resources! There are so many people ready to support you—do not be afraid to ask for help when you need it!**

# You Are a College Student!

## Go to Class.

- Attendance is important! Every day that you are absent from class, you miss out on information that may not be in your books but could be on your test. Failure to attend class throughout the entire term could result in loss of TN Promise eligibility.
- Asking questions during class is tough, but it ensures you receive correct answers. Other students in your class most likely have the same questions – you are just the brave one willing to ask them! Once you start asking questions, it will become easier.
- If a class has a review session before a test, attend it. It can only strengthen your knowledge of the subject.
- Be active in class. Taking notes, asking questions and listening makes it more likely you will perform favorably in the class and will get the attention of your professor!

## Organize & Prioritize.

- College can be overwhelming (especially as a full-time student), and finding a healthy balance is key to your success.
- Use your syllabus! It will help set your expectations for your classes. It informs you of important dates, materials you will need and how you will be graded. If you do not know how to read it, ask your professor!
- Get organized. Use a planner, make to-do lists and sync your school email and calendar to your phone. Decide what works best for you; there is no wrong way to get organized.
- Manage your time before, between and after classes to study or work on assignments with the resources available on campus.

## Ask for Help.

- Professors/instructors hold office hours and usually have time before and after class. Get to know them during these times. They will help you if you find yourself struggling during the semester.
- Community and technical colleges have multiple resources (e.g., math labs, writing centers, tutors, advisors and counselors) that are all FREE. Take advantage of them!
- Fellow students are encountering the same challenges and can relate to you. Surround yourself with students you work well with and hold one another accountable.
- Remember to connect with your tnAchieves mentor. They want to be a resource for you, and if they cannot answer your question, they can direct you to someone who can!

## Plan for Additional Costs.

- Some classes have additional fees that you will be responsible for along with your books and school supplies.
- It is important to find a way to cover these additional costs (e.g., part-time job, work-study on campus, plan of action with family) before classes begin.
- Make a budget so you know what you can spend on food, activities and gas.
- Planning ahead will help you cover your costs with as little stress as possible. This allows more time for you to focus on your classes and activities on campus and stay on track to graduate on time!

### QUICK TIP!

**Go to class! Once you are in class—participate! Take notes, raise your hand, ask questions, answer questions. You are in college to learn! ENJOY IT!**

# Time Management Activity

*\*To be completed at your third team meeting with your mentor*

Effectively managing time is one of the greatest challenges students face as they transition from high school to college. Many students underestimate the amount of time they need to devote to homework and study outside of classes. This time management activity is designed to help you think about how to prioritize your time.

*Students, ask your mentor questions during the activity! It is the perfect opportunity to learn what he/she has found helpful to stay organized, manage his/her time and to be successful.*

## 1. Make a list of all the ways you use your time:

---

---

---

---

## 2. Complete the time management grid.

Complete the grid distributed at your team meeting, taking each of the items you have listed above one-by-one and filling in the time you need for them each week.

*For example, when and for how long are you going to do homework and study each week? [Hint: Research has shown that to be successful in college, students need to devote 6-9 hours per class to homework and studying each week. So, if you are taking four classes, you should expect to spend 24-36 hours each week working on school work outside of class time. Yes, that is 24-36 hours, not minutes!]*

## 3. Discussion

Students, spend some time talking with your mentor about your grid. This is the perfect opportunity to talk about some of the potential challenges you may be facing with a full schedule and to discuss how to prioritize what is important to you. Every year, students tell us that managing their time as a college student is difficult. Do not miss out on the chance to receive advice from your mentor!

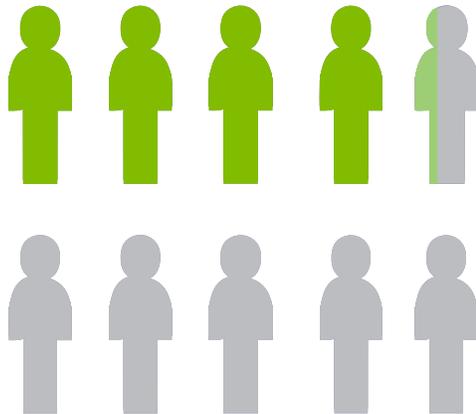

### QUICK TIP!

**"I did not have enough time!" This is the #1 reason current college students give when they fail a class. You make time for the top priorities in your life. Make sure classes, homework and study time are a top priority, especially during your first semester as you adjust to college life. If you find yourself struggling to fit everything into your schedule, reach out to us at [tnachieves@tnachieves.org](mailto:tnachieves@tnachieves.org) and we will help you make a plan.**

# Graduate/Transfer

Making it to college is an accomplishment, but graduating from college should be your goal! Before beginning college, make sure to meet with an advisor and create a plan for what courses you need to complete each semester or trimester in order to graduate on time with a degree or certificate. A defined path will lead to greater success!

Use your plan to guide your time in college and to serve as a reminder of the brighter future you are creating for yourself!

**Currently, less than 50% of all students enrolled in a public university graduate.**

YOU can graduate and help change that number! More certificates and degrees means a better future for students and a better workforce for our state.

Besides completing the required coursework for your major, your institution may have other requirements that you must meet in order to graduate. These requirements are different at every college, so make sure you are aware of how your institution handles graduation.

Below is a list of general graduation requirements:\*

- Completion of curriculum for specific project of study
- Minimum cumulative GPA of 2.0 or Satisfactory Academic Progress at a TCAT
- Completion of a specific number of credit hours
- Completion of an intent to graduate form
- Payment of a graduation fee

\*Some students may be required to take one or more tests designed to measure achievement in general education and in their specific major in order to transfer and/or graduate.

## Transferring to a Four-Year College

Tennessee Transfer Pathway simplifies the transfer process by providing information about which courses you should take to maximize the number of credits that will transfer from your two-year institution. Visit [www.tntransferpathway.org/find-your-pathway-now](http://www.tntransferpathway.org/find-your-pathway-now) to select the pathway you may want to take as you start college. If you do plan to transfer, speak with an advisor to map out your plan.

### QUICK TIP!

**Going to college is a waste of time and money if you do not earn a degree. Having a degree will make you a more qualified worker, help you earn more money over the course of your career and give you greater options in the job market. Do not quit when it gets hard. Earning your degree is worth it!**

## To remain TN Promise eligible, a student must:

### High School:

1. Attend and graduate from an eligible high school.
  - a. A student must apply his/her senior year of high school with the Class of 2017 and meet the TN Promise established application deadline.
  - b. A student must be a Tennessee resident.
    - i. A student whose parent(s) do(es) not live in Tennessee but are members of the armed forces and stationed in the state or at Fort Campbell pursuant to military orders will be considered a Tennessee resident for the purpose of this scholarship.
    - ii. A student's residency will be determined by the post-secondary institution.
  - c. A student who completes a GED or HiSET diploma must enroll full-time in an eligible post-secondary program in the fall after he/she receives his/her diploma, provided that the diploma was earned before the student reached 19 years of age. This assumes the GED or HiSET student met all TN Promise requirements.
2. Attend all scheduled team meetings. A student must attend his/her assigned scheduled meeting as outlined in the student handbook/website.
  - a. Excuse forms will be reviewed for the following:
    - i. Participation in a school-sanctioned event (e.g., athletic event, choir concert, national or state conference or competition)
      - For athletic events, student must present tnAchieves with the game schedule AND a signed note from the coach.
      - For other events, student must present tnAchieves with a signed note from the faculty advisor/sponsor.
      - No rehearsals or practices of ANY type will be considered excusable absences.
      - Club meetings will not be considered excusable absences.
      - School social events (e.g., proms) will not be considered excusable absences.
      - Any event falling outside of a school-sanctioned event will NOT be considered an excused absence (e.g., club sports, auditions).
      - In order for the absence to be considered excused, a student must be a member of the school's student body and an active participant in the event.
    - ii. Death in the immediate family
      - Student must present tnAchieves with a death certificate, obituary or a funeral service remembrance card that is specific to the meeting date missed to remain eligible.
    - iii. Personal illness
      - Student must present tnAchieves with a signed doctor's note that is specific to the meeting date missed to remain eligible.
      - Illness within the family is not an excusable absence.
    - iv. Conflict with post-secondary class schedule
      - Student must present tnAchieves with a class schedule AND a signed note from the professor confirming attendance specific to the meeting date missed to remain eligible.
    - v. Conflict with religious observance
      - Student must present tnAchieves with a signed note from religious leadership indicating date and time of the required religious observance or activity that conflicts with assigned team meeting and confirming student attendance.
      - No rehearsals or practices of ANY type will be considered excusable absences.
    - vi. Personal or Immediate Family Emergency
      - Student must present tnAchieves with valid proof that is specific to the meeting date and time missed to remain eligible (e.g., emergency room documentation).
  - b. Students are responsible for notifying tnAchieves prior to or within 72 hours of the missed meeting via the excuse form provided at [www.tnachieves.org](http://www.tnachieves.org). Failure to meet this requirement, even with a valid excuse, will result in loss of TN Promise eligibility.

- i. Work, lack of/inoperable transportation, scheduled vacations including weddings and all other excuses outside those outlined above are not considered excusable absences and will result in a student losing his/her TN Promise eligibility. This includes meetings that are rescheduled due to inclement weather.
    - ii. A student who arrives late to a mandatory meeting will lose his/her TN Promise eligibility. Likewise, a student who leaves a meeting prior to adjournment will lose his/her TN Promise eligibility.
    - iii. A student who has an approved absence by tnAchieves must attend a make-up meeting to remain eligible. The student must attend the make-up meeting prior to the end of the scheduled team meeting's calendar (i.e., If a student misses the second team meeting and meets the 72 hour excuse form policy requirement, he/she is responsible for attending another meeting before the conclusion of the first team meetings.). Failure to attend a make-up meeting for any reason will result in loss of TN Promise eligibility.
      - It is important to note that tnAchieves strongly encourages students to attend their initial assigned meeting rather than requesting an excused absence, as the make-up meetings will most likely be held outside the student's county of residence and the mentor is not asked to attend make-up meetings.
  - c. A student who graduates high school during the fall term is required to return to his/her high school for the assigned mandatory meetings.
  - d. A student who transfers during his/her senior year is responsible for alerting tnAchieves and attending the assigned mandatory meeting designated for the high school to which he/she transferred.
  - e. A parent/guardian cannot attend meetings on the student's behalf. The student must attend the meetings to remain eligible.
  - f. A student who requires accommodations at his/her assigned team meeting will be responsible for alerting tnAchieves 72 hours in advance of the meeting (e.g., sign language interpreter).
  - g. A homeschool student must have documentation from his/her umbrella school indicating a school-facilitated break to be considered excused from the assigned mandatory meeting.
3. Complete the Free Application for Federal Student Aid (FAFSA) by January 17, 2017.
  - a. Failure to qualify for federal aid in the form of a Pell Grant and/or state aid in the form of TELS (e.g., HOPE) or TSAA funding will not affect a student's TN Promise eligibility.
  - b. A student must be eligible for in-state tuition.
  - c. A student must complete the FAFSA each year prior to the deadline established by TSAC.
4. Submit all financial aid verification documents by August 1 each year for community and four-year colleges.
  - a. A student attending a TCAT must complete the verification process by October 1 each year.
  - b. tnAchieves encourages students to submit all documents by July 15 to ensure the post-secondary institutions have adequate time to process.
  - c. Student must select the eligible institution he/she plans to attend as his/her first choice on the Free Application for Federal Student Aid (FAFSA) as well as direct his/her TSAC Student Portal to the eligible institution.
  - d. It is the student's responsibility to confirm with the post-secondary institution that his/her admissions and financial aid files are verified, processed and ready for award.
5. Complete and submit at least eight hours of community service prior to the start of each semester/trimester by the established deadline. Community service must be completed under the supervision of an established organization (e.g., nonprofit, public service organization).
  - a. Community service is not:
    - i. Work resulting in payment.
    - ii. Work done under the supervision of an extended or immediate family member.
    - iii. Work done for an individual rather than an organization (e.g., babysitting, mowing a neighbor's lawn, picking up trash in your neighborhood).
    - iv. Proselytizing (sharing faith).
  - b. Students must submit all information regarding community service by the established deadline at [www.tnachieves.org](http://www.tnachieves.org). Failure to comply by the established dates will result in loss of eligibility.

## College:

1. Maintain full-time status each semester.
  - a. If the student falls below full-time, he/she will no longer be eligible.
  - b. TCAT students must be enrolled in a full-time program.
  - c. Failure to attend class could result in loss of eligibility.
2. Begin at an eligible post-secondary institution in the fall term directly following high school graduation.
  - a. A student may begin at his/her post-secondary institution prior to the fall term directly following high school graduation; however, the student will be responsible for incurred tuition and fees until fall.
  - b. A TCAT student may begin in the summer directly following high school graduation if he/she has met all TN Promise requirements.
  - c. A student may be granted a medical or personal leave of absence from timely enrollment in the initial semester, full-time attendance or continuous enrollment at an eligible post-secondary institution as long as all other acceptable eligibility criteria are met. A student must request a leave of absence with his/her chosen post-secondary institution for approval.
    - i. An approved leave of absence of six months or less shall not count against the five-semester or eight-trimester limit at an eligible post-secondary institution.
    - ii. An approved leave of absence may extend beyond six months for military, religious or other extraordinary circumstances, but may impact a student's number of eligibility terms.
3. Attend an eligible post-secondary institution for consecutive semesters.
  - a. A student cannot leave the post-secondary institution for a period of time and remain eligible.
  - b. If a student withdraws from all classes during the semester, he/she will no longer be eligible.
4. Maintain a 2.0 cumulative GPA at the end of each academic year.
  - a. TCAT students must maintain satisfactory academic progress each trimester.
5. Complete the Free Application for Federal Student Aid (FAFSA) by the established deadline each year throughout his/her post-secondary experience.
  - a. Failure to qualify for federal aid in the form of a Pell Grant and/or state aid in the form of TELS (e.g., HOPE) or TSAA funding will not affect a student's TN Promise eligibility.
  - b. A student must be eligible for in-state tuition.
6. Submit all financial aid verification documents by August 1 each year for community and four-year colleges.
  - a. A student attending a TCAT must complete the verification process by October 1 each year.
  - b. tnAchieves encourages students to submit all documents by July 15 to ensure the post-secondary institutions have adequate time to process.
    - i. A student may be required to pay tuition and fees out of pocket if his/her financial aid file is not processed and verified by the beginning of classes.
  - c. Student must select the eligible institution he/she plans to attend as his/her first choice on the Free Application for Federal Student Aid (FAFSA) as well as direct his/her TSAC student portal to the eligible institution.
  - d. It is the student's responsibility to confirm with the post-secondary institution that his/her admissions and financial aid files are verified, processed and ready for award.
7. Complete and submit at least eight hours of community service prior to the start of each semester/trimester/quarter by the established deadline. Community service must be completed under the supervision of an established organization (e.g., nonprofit, public service organization).
  - a. Community service is not:
    - i. Work resulting in payment.
    - ii. Work done under the supervision of an extended or immediate family member.
    - iii. Work done for an individual rather than an organization (e.g., babysitting, mowing a neighbor's lawn, picking up trash in your neighborhood).
    - iv. Proselytizing (sharing faith).
  - b. Students must submit all information regarding community service by the established deadline at [www.tnachieves.org](http://www.tnachieves.org). Failure to comply by the established dates will result in loss of eligibility.

8. A student who meets all academic and non-academic requirements for TN Promise may transfer from one eligible post-secondary institution to another and maintain scholarship eligibility, provided the student is able to complete the diploma or associate degree in the amount of time remaining before reaching a terminating event.

## **Other components:**

1. Only a member of tnAchieves staff may determine a student's TN Promise eligibility.
  - a. Mentors are an extension of tnAchieves, but are not tnAchieves staff members.
  - b. tnAchieves mentors are volunteers and may lack adequate time to answer all questions; therefore, it is the student's responsibility to confirm eligibility with tnAchieves staff.
2. TN Promise only funds last-dollar tuition and mandatory fees. It does not pay for books or other post-secondary expenses (e.g., application fee, program and class specific fees). TN Promise only covers fees required of all students.
3. A student cannot be mentored by a family member.
4. Mentors cannot choose students to mentor.
  - a. tnAchieves staff will randomly assign students to mentors.
5. TN Promise follows the admissions requirements of the post-secondary institution.
  - a. TN Promise will fund learning support classes if the student fails to meet the ACT requirements for college-level coursework.
6. A student is responsible for notifying tnAchieves staff when his/her contact information changes. Incorrect information does not preclude a student from ineligibility.
7. Inclement Weather Policy: If the student's school is cancelled or released early due to inclement weather, tnAchieves will reschedule the mandatory meeting. It is the student's responsibility to visit [www.tnachieves.org](http://www.tnachieves.org) to find the new date for his/her meeting.

Should a student fail to adhere to any/all policies, tnAchieves invokes the right to remove a student's eligibility.

tnAchieves values honesty and integrity. A student who submits misinformation will immediately lose TN Promise eligibility. Be respectful in all correspondence and communication, including social media.

Policies may be subject to change without notice. It is a student's responsibility to refer to the policies as posted at [www.tnachieves.org](http://www.tnachieves.org) for updates and changes to the TN Promise legislation.

# TN Promise Frequently Asked Questions

## **What is TN Promise?**

TN Promise is a last-dollar scholarship that provides the opportunity for every Tennessee high school student to earn a post-secondary credential. This also applies to students who complete a GED or HiSET prior to their 19th birthday.

## **Who is eligible?**

Any high school senior who graduates from a Tennessee eligible high school or completes a Tennessee home school program is eligible to apply. Students will apply in the beginning of their high school senior year (by November 1, 2016) and begin working with tnAchieves. To receive TN Promise funds, students must complete the tnAchieves program.

## **Are GED recipients eligible for TN Promise?**

Students who complete a GED or HiSET diploma (and have met all other TN Promise eligibility requirements) must enroll full-time in an eligible post-secondary program in the fall term after they receive their diploma, provided that the diploma was earned before the student reached 19 years of age.

## **What if a student graduates early from high school?**

Students graduating in the fall term can receive TN Promise. They must attend all mandatory team meetings as if they graduate in May. Funding will not begin until fall 2017 unless a student attends a TCAT.

## **Do non-U.S. citizens qualify for TN Promise?**

No. To be eligible, students must be able to complete the FAFSA, qualify for in-state tuition and possess a valid Social Security number. The DACA number is NOT a valid entry on the Tennessee Promise application. A student must complete the Free Application for Federal Student Aid (FAFSA) for which the student's U.S. citizenship or eligible non-citizenship status has been confirmed by the federal government. Note: This option is only available for:

1. U.S. Citizens;
2. U.S. permanent residents (with an I-151, I-551, or I-551C permanent resident card); or
3. Individuals who have an Arrival/Departure Record (I-94) showing one of the following designations: Refugee, Asylum Granted, Cuban-Haitian Entrant (Status Pending), Conditional Entrant (Valid only if issued before April 1, 1980), Victims of Human Trafficking (T-2, T-3, or T-4 visa), or Parolee (who meets certain conditions).

## **What does TN Promise fund?**

TN Promise is a last-dollar scholarship that funds tuition and mandatory fees at eligible TN Promise post-secondary institutions. These funds cannot be used for books, cost of attendance fees or fees associated with a specific program or class.

## **Does TN Promise cover remedial education?**

Yes. TN Promise will cover remedial classes if a student should need to take them.

## **How will the funds be administered?**

After students meet all TN Promise requirements, the Tennessee Student Assistance Corporation (TSAC) will send the funds to the eligible institution after all Pell, TELS (e.g., HOPE and Wilder-Naifeh) and TSAA funding have been applied.

## **When does TN Promise funding begin?**

Students must begin college the fall semester immediately following high school graduation. TCAT students are able to begin in the trimester beginning in May 2017 as long as the student has completed service hours by April 1, 2017.

## **Will a student receive a check for the scholarship?**

Students never directly receive funding from TN Promise. TSAC will send funds directly to the colleges.

## **How long after high school graduation will students remain eligible for TN Promise?**

If a student continues to meet all requirements, TN Promise funding is available for five consecutive semesters at a community college, eight consecutive trimesters at a TCAT or until a terminating event (graduation or transfer to a non-TN Promise institution) has occurred.

## **What happens if a student misses a TN Promise deadline?**

Failure to meet any TN Promise deadline will result in a student being permanently ineligible for TN Promise.

# TN Promise Frequently Asked Questions

Continued...

## **May a student attend a four-year institution with TN Promise funding?**

TN Promise eligible post-secondary institutions (see page 16) offer associate degree programs. In order for a student to receive TN Promise funding at one of these eligible institutions, he/she must meet all deadlines, as well as be accepted in the associate degree program. At these institutions, funding for TN Promise will not be last dollar. The scholarship will be determined by the amount a student would receive should he/she attend a community college. This amount would be portable to the eligible four-year institution. In other words, if a student's last-dollar amount at a community college is \$0 due to a full Pell Grant being awarded, he/she would not receive any funding at the eligible four-year institution. If a student receives the HOPE scholarship only, he/she would receive approximately \$500 each semester from TN Promise at the four-year institution.

## **Who does a student contact if he/she is having trouble submitting the community service form?**

Students experiencing problems submitting the community service form should email concerns to [tnachieves@tnachieves.org](mailto:tnachieves@tnachieves.org). Problems with submission do not excuse a student from meeting the established deadline.

## **Can a student take a semester off?**

A student may request a medical or personal leave of absence from timely enrollment in the initial semester, full-time attendance or continuous enrollment at an eligible post-secondary institution as long as all other applicable eligibility criteria are met. Medical or personal appeals will be considered in the following situations: illness of the student, illness or death of an immediate family member, extreme financial hardship of the student or student's immediate family, fulfillment of a religious commitment expected of members of that faith, fulfillment of required military service, enrollment for a specific TCAT program being unavailable until a later trimester or other extraordinary circumstances beyond the student's control where attendance by the student creates a substantial hardship. In order to complete an appeal prior to initial enrollment, a student must visit [www.tn.gov/collegepays/article/TELS-Program-and-TN-Promise-Scholarship-Appeals-and-Exceptions](http://www.tn.gov/collegepays/article/TELS-Program-and-TN-Promise-Scholarship-Appeals-and-Exceptions) for instructions on submitting an appeal. In order to request a leave of absence after initial enrollment, a student must complete the appeal process as specified by his/her college. In the event an institution denies a student's request for a medical or personal leave of absence, the student may appeal the decision in accordance with the rules found at [www.tn.gov/collegepays/article/TELS-Program-and-TN-Promise-Scholarship-Appeals-and-Exceptions](http://www.tn.gov/collegepays/article/TELS-Program-and-TN-Promise-Scholarship-Appeals-and-Exceptions).

## **How can students transfer to a four-year program or institution once they have completed their degree or certificate through TN Promise?**

The Tennessee Transfer Pathways ensures that students may follow a prescribed curriculum that is transferable, marked by clarity and available for students to review on the first day of enrollment. There are approved transfer pathways that span multiple disciplines and are accepted at all public institutions in Tennessee. More information about participating institutions can be found at: [www.tntransferpathway.org/transfer-campus](http://www.tntransferpathway.org/transfer-campus). Although a student who completes an associate degree is no longer eligible for TN Promise, the student should contact the four-year institution he/she is interested in to discuss other sources of aid.

## **Why is it important to update tnAchieves when emails and phone numbers change?**

tnAchieves uses the contact information initially provided on the TN Promise application to send important communication related to program requirements. Failure to notify tnAchieves of changes may result in students missing important emails and texts related to upcoming deadlines.

## **If students and their families have not filed taxes by January 17, 2017, can they still file the FAFSA before the TN Promise deadline?**

Yes. Due to changes in the FAFSA application process, students will report income information from 2015 taxes. Soon after filing taxes, students should go in and update their FAFSA with recently filed tax information. Reference pages 8-10 of this handbook for additional information.

## **What happens if a student misses a team meeting?**

If a student fails to attend his/her assigned team meeting, he/she will be permanently ineligible for TN Promise unless he/she has completed the excuse form at [www.tnachieves.org](http://www.tnachieves.org) prior to or within 72 hours of the assigned team meeting. In order to remain eligible, excused students must attend another team meeting prior to the end of the specific team meeting's calendar.
